

A Report on
One Day International Multidisciplinary Conference
on
Environment: Issues, Challenges, Impact and Steps towards Sustainable Development
organized by
IQAC, Gopikabai Sitaram Gawande College, Umarkhed, Dist. Yavatmal
in collaboration with
IQAC, Sant Gadge Baba Amravati University, Amravati

Introduction:

A one day international multidisciplinary conference organized by Gopikabai Sitaram Gawande College in collaboration with IQAC, Sant Gadge Baba Amravati University on 24 Sept. 2022 in the campus was the first international conference organized by this institute during last five years. The theme was willfully chosen and meticulously studied by the organizing committee. Our approach was to make it inclusive for all area of studies with the objectives:

Objectives:

1. To hold discussion on the topic of environment with its multidisciplinary aspects through invitation of papers from scholars around the world.
2. To create scope to materialize innovative ideas shared by the experts in the field.
3. To motivate young researchers and students for undertaking projects and conduct experiments in the field of environment.
4. To hold deliberations on the impact of environment degradation on the life on earth and to reach towards some productive results in terms of sustainable development.
5. The papers published during the conference would emerge as answers/ suggestions and solutions on global and local environment problems.

Audience:

The conference has invited PG students, research scholars, academicians, faculty researchers, social scientists, industrial persons, scientists and the folks interested in environment studies from India and the foreign countries to participate in the event. 609 delegates have registered for the conference and 500 papers have been received.

Themes and Topics Discussed:

The organizing committee of the conference has invited resource persons working on environment sustainability from different places and field of studies. The key note speaker, Dr. Nitin Labhashetwar, a chief scientist of NEERI, CSIR, Nagpur delivered the talk on how the modern civilization is working for development at the stake of environment. He then delineated the projects undertaken by NEERI to reduce environment degradation and invited students to

collaborate with NEERI and to bring their ideas that would be materialized with the assistance of NEERI.

The Resource person, Dr. Jayant Keskar who is a businessman from Australia delivered his talk on sustainable development and showcased the ideas and innovations his company brought in the field of environment. Mr. Kishor Rithe, a founder of Satpuda Foundation and the secretary of Bombay Historical Society influenced the faculty and the students by his ground level work related to ecological balance. His extreme work in environment protection and specifically tiger protection and conservation was eye opening for the audience. His presentation conveys the message that the NGOs and the private agencies can work hand in hand with the government for productive results. The creative and the corrective measures can be taken by anyone who consciously works for the sustainable development.

Dr. Pratiksha Dongare from Houston, USA has very scientifically elaborated the need to conserve water through wise actions by the humans. Her talk was on creation of sustainable water future, wherein she has discussed the scientific process of desalination of water to make it potable. Her approach was very genuine and factual while answering the queries put forth by the participants. According to her, ensuring water for next generation stands as a challenge before science today and collective efforts can only prove as an answer to it.

Guests of the Conference:

At the inaugural function, the chairman of the conference the president of Yavatmal Zilha Akhil Kunbi Samaj, Hon'ble Mr. Ram A Deosarkar, the inaugurator hon'ble Dileep Malkhede, Vice Chancellor of Sant Gadge Baba Amravati University, Chief Guest Dr. K.M.Kulkarni, Ex Director, Higher Education, Maharashtra State, Dr. Y.M.Raut, Secretary, YZAKS, Dr. Sandeep Waghuley, IQAC Director, SGBAU, Amravati, Hon'ble Adv.Meeta Gawande, USA, Dr. S.P.Chavhan, Director, School of Life Sciences, SRTM, University, Nanded and the Principal of the college, Dr. Madhavrao Kadam grace the event with their august presence and delivered their valuable stand on the theme.

Outcomes:

The conference is expected to bring forth issues such as sustainable development, assessing progress and gaps in implementation of government policies, international steps to address new emerging challenges, future challenges of life and the scientific enquiry of the problems with certain solutions. The first step towards reaching the target is to create awareness on the issues, which the conference has certainly achieved. The valuable suggestions received from the inaugurator of the conference hon'ble Dileep Malkhede sir, Vice Chancellor of Sant Gadge Baba Amravati University on 'one student- one plant' has been acknowledged by the audience and the college has decided to work on the catchphrase by organizing awareness rallies and competitions for students. Another outcome of the conference is the knowledge of the projects that are being undertaken by various individuals, private agencies, companies, NGOs and the government and

create scope for the participants to join them and contribute their share in environment sustainability.

One more outcome of the conference is that it has brought opportunities for college in terms of the promise from NEERI for their assistance in running environment projects in the area with our collaboration likewise the resource persons show interest in the collaborative activities of exploring the *Painganga* Sanctuary rested in Umarkhed Taluka. We are getting connected with the NGOs who wish to assist us in realizing our dream of green campus. Our future plans in making our environment clean and green will be materialized through this conference.

The research papers published on the theme are the serious enquiry on the topic. We hope that they will not be read as a theoretical knowledge but will be appeared as substantial innovative ideas on application level which can be materialized and follow. In short:

SWIM: Spirit to join with environmentalists, Work for sustainability, Innovative ideas, Motivation is the outcome of this one day international conference.

About College▷

Gopikabai Sitaram Gawande Mahavidyalaya, run by Yavatmal Zilha Akhil Kunbai Samaj society is one of the premier institutes in Amravati University. Established in 1966 in 30 acres of land with Arts and Commerce stream, it has transformed into a substantial academic organization which offers Arts, Commerce, Science, Computer UG , PG and Ph.D. programs. A lush green area with pollute free environment, specious academic and physical infrastructure, digital educational facilities envisages the institute as a life-long learning center and has risen as a first choice for students in the area. It caters students' needs with a huge auditorium, a museum, boys hostel, well-furnished and lavish guest house, cafeteria, yoga center and Jim, language and science laboratories, Sports ground and NSS, NCC units.

The college is extensively involved in all kinds of co-curricular, extra- curricular, extension and community activities and has maintain strong relationship with international institutions. As a part of this relation it has formed informal MoU with Ohio university in US through which the university runs students and faculty exchange programme. Rural area students, being the asset of the institution are getting placed in reputed companies and private firms. The college also hosts study center of Yashwantrao Chavhan Open University.

The college is enriched with a specious library that operates with E governance and has more than 35000 books and N number of E-resources provided to students and faculty through N-List. Botanical garden with 150 rare plants and green zones add beauty to the campus. The college has completed three cycles of NAAC and received B++ grade in third cycle in 2017.

About Umarkhed:

Umarkhed popularly known as a town of Temples is situated in Yavatmal District of Maharashtra State. It is established on the bank of Painganga river in the vicinity of Pusad range forest. It is close to the famous waterfall "Sahastrakund", Painganga Sanctuary and Isapur Bird Sanctuary.

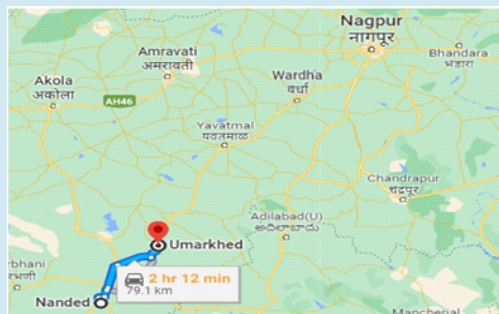

Location:

Umarkhed Geographical coordinates 19.5976° N, 77.6916° E

Route: It is 70km away from Nanded and 270km from Nagpur. It is 200km away from Akola and Amravati. The Nearest domestic airport and railway station is Nanded.

Climate: Climate of Umarkhed is pleasant in the month of September & temperature ranges from 27°C to 32°C

Geo Map:

Collaborator:

Sant Gadge Baba Amravati University, Amravati

Amravati University has been established on Maharashtra Day, the 1st May 1983 to cater mostly to the educational needs of rural population of western Vidarbha. The university has its jurisdiction within five districts of Vidarbha viz. Amravati, Akola, Yavatmal, Buldana and Washim. By now, this sapling has grown into a gigantic tree having about 4 lacs students. It is noteworthy to state that the University has a lush green campus of 470.63 acres with 28 Teaching Departments.

About the Conference:

Objective of the conference is to bring together experts, scientists, academicians, researchers, teachers and students all over the globe to discuss and deliberate on the vital, global issue of environment and sustainability. Their innovative ideas, knowledge, study and research on all the aspects related to environment and sustainable development would contribute to conserve nature and natural resources.

This international conference envisages accelerating the cognizance on this broad areas by means of expert talk from environment scientists, experts from the field and the futuristic who contribute and dream for precious mother earth. It will promote and involve multidisciplinary research from various fields of knowledge from humanities, commerce and science & technologies.

Sub Themes▷

(Papers are invited in English, Hindi and Marathi)

- Historical Study of Environment and sustainable development
- Environment sustainability in Libraries through green practices
- Eco criticism and Ecofeminism
- Depiction of Environment and sustainable development in Marathi Literature
- Environment and politics
- Pollution: Sources, effects and control
- The role of environment in economic growth
- Climate change, Environment and sustainable development
- Impact of E-waste on environment
- Environmental attunement in health, Sports and physical education
- Green Computing : A contribution to save the environment
- Environmentally Sustainable Computing and ICT Applications
- Nano materials for remediation of environmental pollution
- Management of natural resources
- Environmental impact on plant and ecosystem
- Any other topic related to the main theme.

Submission Guidelines>

- Selected research papers will be publish in Peer Reviewed, Referred International E Research Journal with good indexing and high Impact Factor.
- Research papers must be original and may not be under review by other publication.
- Plagiarism must be below 10%
- For English, research paper must be typed in Times New Roman with 12 font size , heading bold and single line spacing.
- For Marathi and Hindi, Kruti Dev 10 font with 14 font size.
- Attach soft copy of payment receipt (and transaction id of payment) with research paper.
- No TA/DA will be given to the participants.
- Papers received after the mentioned date will not be accepted for publication.

Journal for Research Paper Publication :

Vidyabharati International Interdisciplinary Research Journal (ISSN- 2319-4979). Peer Reviewed, Referred International E Research Journal with good indexing and high Impact Factor.

Paper Submission : The delegate can submit their research manuscript online to icesd2022@gsgcollege.edu.in

Registration Link:

<https://forms.gle/cio7ygVuEzPWvadDA>

Full paper: Between 1500 to 3000 words

Author's details: Author and Co-author's name(s), Designation, Institution Name and Affiliation, Email address and Mobile number

Paper Format: Paper Title, Author Name(s), Abstract, Keywords, Introduction, Literature Review, Research Work, Conclusion, References (References must be in APA 7 Format).

Language: English, Hindi and Marathi (font of English must be Times New Roman and Kruti Dev 10 for Hindi and Marathi)

Registration and Publication

Professionals/ Academicians/ Faculty : 1200/-
Research Scholars : 600/-
Overseas Delegates : \$50/-

Registration fee (non refundable) includes conference kit, breakfast, lunch, Certificate and publication charges.

Payment Details:

Beneficiary (Account name) : GSG COLLEGE UKD
Account Number : 60422461807
SWIFT Code : MAHBINBB
Bank : Bank of Maharashtra
IFSC : MAHB0000257
Bank Address : Pusad Road,
Umarkhed

You can pay online (NEFT) or through e Wallets (Google Pay/ PhonePe etc.)

Important Dates:

Last date for Registration : 15 September 2022
Full-length paper submission : 15 September 2022
Date of Paper Acceptance : 17 September 2022
Date of Conference : 24 September 2022
