8.1.2 Awareness about the scheme

The guidelines of the schemes required the State/UT governments to generate awareness regarding the schemes among targets population/institutions to maximize the coverage. The States/UTs were required to announce the details of the scheme and invite applications by issuing advertisements in leading newspapers of the State/UT and through other media outfits. Test check of records revealed that adequate publicity was not given in 15 States/UTs for the schemes listed in Annexure V. Audit also observed that implementing agencies like schools and educational institutions were not awarded of the schemes as well as the time schedules for filing applications for assistance. In the absence of wide publicity, the possibility of large numbers of persons in the target population not being able to apply for the intended benefits can not be ruled out.

Refers Paragraph	Annexure	Name of State	Names of the schemes for which adequate publicity was not given by the State Governments
8.1.2	Annexure-V	Maharashtra	Book Bank Scheme for SCs/STs.

OBJECT

The object behind the Scheme is to establish Book Banks in each Medical (including Indian systems of Medicine and Homeopathy), Engineering, Agriculture, Veterinary, Polytechnics, Law Course, Chartered Accountancy, MBA and Bio-Sciences to Scheduled Tribe students who can not afford expensive education but for adequate state support. The inability of these students to buy costly text books, results in large number of failures and drop outs which retards the upliftment of Scheduled Tribes.

SCOPE

These 'Book Banks' are to be set up in all the Medical, Engineering, Agriculture, Law and Veterinary Degree Colleges and Institutes imparting Chartered Accountancy, MBA and alike Management Courses and Polytechnics where Scheduled Tribe students receiving Post Matric Scholarship under the Centrally Sponsored Scheme of Post Matric Scholarship to Scheduled Tribes for studies in India belonging to the parent state or from other state, are studying. Purchase of books for these 'Book Banks' will be restricted to the prescribed text books for the entire courses for recognized Medical, Engineering, Agriculture, Veterinary, Law Courses, Chartered Accountancy, MBA, Bio-Sciences and Polytechnic courses being pursued by ST students therein. The set of text books will be purchased for 2 such ST students at various stages except in respect of Post-graduate courses and Chartered Accountancy where it will be one set for each student. However, the ratio of sets and students will have to be adjusted to the total number of sets that could be procured within the total resources allocated to the State concerned. The State Government may constitute an expert group consisting of members from selected colleges of different regions to decide the adequate number of text books in a set (not reference books) required for each course. Thereafter estimate may be worked out keeping in view the price of cheap Indian editions. The State Government may

constitute a set within the total cost of text books. The life period of one set of books has been fixed at 3 years.

XIV. COURSE-WISE PATTERN OF ASSISTANCE

Central assistance to States/UTs for setting up of Book Banks is limited to the following ceiling or actual cost of a set, whichever is less:-

At the end of 3 years these books may be kept in the library of the concerned institution for loan to other ST students until such time as the books remain relevant and serviceable. Thereafter the books may be disposed off by the institution in the same manner as the books in the library subject to the guidelines, if any, of the State Government/UT Administration in this regard. Purchase of text books for these Book Banks is restricted to the prescribed text books for the entire course referred to above.

XV. PREFERENCE TO GIRL STUDENT AND HANDICAPPED STUDENTS

State Govt. may consider making the Heads of the Institutions responsible for the running of the Scheme and place funds at their disposal.

XVIII. SUBMISSION OF DATA

The State Governments UT Administrations will inform the Government of India about the amount allotted college-wise specifying the number of sets to be purchased for that college and the number of beneficiaries.
