Poverty and destitution are faced by over 19 million elderly woman in India. Their fate is much like Amma, who worked all her life as a maid and now finds herself without family or financial support. Apart from fulfilling her own household duties, she did the washing and cleaning in 11 homes every day. Earning just

33% of the elderly in India are living below poverty line and another 33% just above it.

enough to feed her family. But today at 84, she has no savings or family to fall back on. Her own family has

turned her out.

Living in the street, she is sick, hungry, cold and lonely. HelpAge India supports women like Amma with Adopt - A - Gran programme. The programme links gran to a kind hearted donor like you @ a mere Rs. 7200/- per year (Rs. 600/- per month). A paid gesture like this helps provide basic necessities to the adopted gran.

19 million or 55% of women in the 60+ age group are widows, most in need of help.

This would just need your picking a pen, filling the form below and sending the contribution across. We will inform you the details of the person you are helping. The blessings of the elderly would always be with you!

12.43% of rural elderly and 9.52% of urban elderly stay alone.

Dear Friend,

HelpAge India is national level charity working for the cause and care of the destitute elderly. We work to fight Poverty, Isolation and Neglect amongst the elderly in India. We reach over 1.1 million beneficiaries every year through our various age care programmes. Over Rs. 233 crores has been spent on these programmes, all of which has been collected through donations from well wishers like you.

HelpAge India reaches the elderly with medical care through 50 Mobile Medicare Units(MMU) in 500 villages across the country, conducts over 30,000 free Cataract Operations every year, supports over 17,000 widowed elderly through its Adopt-A-Gran programme. Our advocacy campaigns have benefited the elderly in several ways. The enactment of the "Parents Maintenance Bill", awareness campaign on elderly rights, prevention of elderly abuse and school based campaigns for intergenerational bonding and family care.

We seek your support to help us to serve the poor and disadvantaged elderly. Your donations to HelpAge India are 100% Tax Exempt under section 35AC and 80GGA of Income Tax Act, 1961.

With warm regards,
