Prelude

The National Education Policy (NEP) 2020 aims to elevate the Gross Enrolment Ratio (GER) in higher and vocational education to 50% by 2035. To achieve this target, the policy emphasizes the establishment of new institutions alongside the consolidation, expansion, and enhancement of existing higher education institutions (HEIs). Recognizing the challenges posed by high dropout rates after junior college and the increasing number of vacant seats in degree programs, the Government of Maharashtra has identified the need for focused interventions to support students transitioning to higher education.

To bridge the gap between school education and higher education, the Department of Higher & Technical Education, State of Maharashtra, has launched the 'School Connect Campaign' an outreach initiative aimed at enhancing GER and fostering awareness about NEP-2020 in the year 2024. Building on the success of the 2024 School Connect Campaign, the initiative has been expanded in scope for 2025 and includes students from standard 9 to 12 to provide early exposure to higher education pathways. It also includes varsity tours, workshops for school and junior college students, hands-on, multidisciplinary, and flexible courses, awareness programmes on higher education opportunities and scholarships, online and distance learning opportunities, special emphasis on STEM education, etc.

The School Connect Campaign is envisioned as a transformative initiative to enhance GER, reduce dropout rates, and empower students with the knowledge and resources required to pursue higher education. By fostering early engagement, promoting financial assistance programmes, and emphasizing multidisciplinary learning, this initiative aligns with the broader objectives of NEP-2020 and contributes to building a skilled workforce for the future. The Government of Maharashtra remains committed to ensuring that every student has access to quality higher education opportunities, thereby fostering a more inclusive and knowledge-driven society.

Planning, Preparation & Stake Holders Engagement

Sant Gadge Baba Amravati University is a key higher education hub in Maharashtra's Western Vidarbha region, encompassing Amravati, Akola, Buldhana, Washim, and Yavatmal districts. Committed to educational inclusivity, it serves remote tribal areas and socio-economically disadvantaged communities. Its jurisdiction includes the aspirational district of Washim and Melghat block, part of India's development initiative. Through the School Connect Campaign and NEP-2020, the university fosters rural student engagement, ensuring broader access to quality education.

Following the government directives dated 20th December 2024, Sant Gadge Baba Amravati University, under the dynamic leadership of Hon'ble Vice-Chancellor Prof. Milind A. Barhate, initiated planning for the effective implementation of the 'School Connect Campaign.' According to the provisions laid down in the said circular, the university established a Coordination Committee chaired by Hon'ble Pro-Vice Chancellor Prof. Mahendra P. Dhore.

Coordination Committee Meeting: - The committee convened its first meeting on 22nd December 2024 to formulate a strategic plan for the seamless execution of the campaign. It was resolved that all affiliated colleges would actively participate and conduct activities as outlined in the government directive. Additionally, special emphasis would be placed on tribal areas and socio-economically disadvantaged communities, particularly in the aspirational districts of Washim and Melghat block.

Expert Orientation Programme: - As the next step, an Orientation Programme was conducted on 25th December 2024 to equip expert trainers with comprehensive insights into the 'School Connect 2.0 Campaign,' its key features, implementation strategies, and other relevant aspects. The university's Deans collaboratively developed a detailed presentation, which was delivered during the session. Over 200 trainers participated in the programme and received the presentation to facilitate the effective execution of the campaign.

Principal Meeting: - The meeting with all principals of the affiliated colleges was conducted on 27th December 2024 in the presence of the Joint Director, Higher Education, Amravati Region, to ensure the seamless conduction of the said campaign. During the meeting, instructions regarding the campaign's activities and the necessary documentation, including the programme report proforma, certificates, standee, flex, expert invitations, and organization of campus tours, were communicated to the colleges.

Meeting with Dy. Director, Education: - The meeting on 27th December 2024 with Dy. Director, Education, Amravati Region, Mrs. Nilima Takey, was conducted to ensure the participation of schools and junior colleges in the said campaign. She ensured her departmental cooperation for the said campaign.

Engagement with Schools and Media: - To ensure the successful implementation of the School Connect Campaign, the university launched a comprehensive media campaign aimed at generating widespread awareness. This initiative was promoted across various media platforms to highlight both the significance of the campaign and the university's commitment to fostering positive community engagement.

The university issued press releases to local newspapers, magazines, and online outlets, outlining its dedication to the School Connect Campaign and its anticipated positive impact on the surrounding communities. Additionally, personalized emails were sent to school principals and educators, providing detailed information about the campaign and inviting them to collaborate on university-led initiatives that support educational growth and community partnerships.

Furthermore, the university engaged parents by disseminating information through school communication, encouraging them to actively support the campaign and help facilitate their children's connection with the university. These outreach efforts were designed to ensure broad participation and strengthen the bond between the university, schools, and local communities.

Campaign Activities

In accordance with the directives of the State Government, Sant Gadge Baba Amravati University, in collaboration with its affiliated colleges, successfully organized the ‘School Connect Campaign’ from 01st to 15th January. This initiative was strategically designed to enhance educational outreach and awareness, particularly targeting students in rural and tribal regions, with a special focus on aspirational districts and blocks.

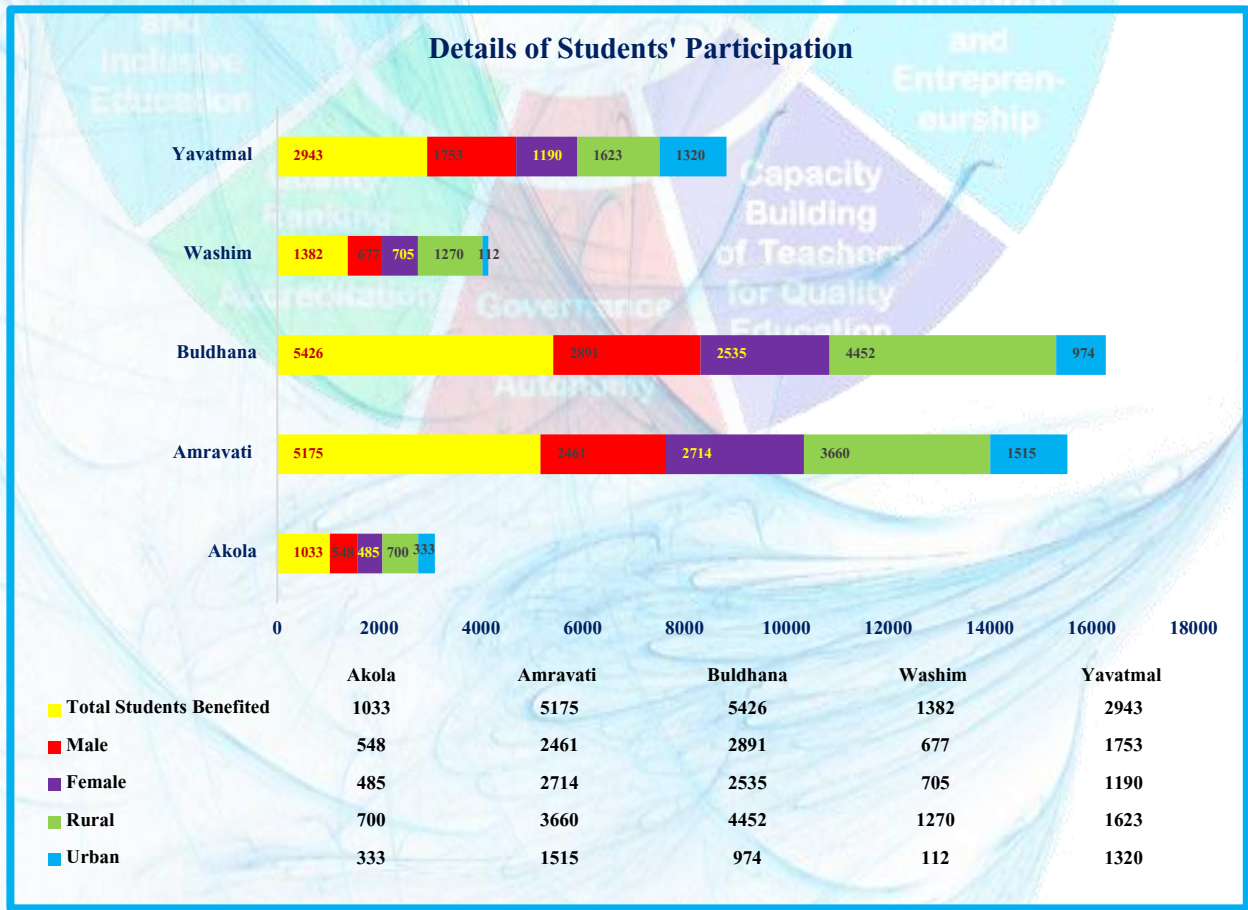

A total of 46 affiliated colleges actively participated in the campaign, collectively conducting 65 workshops and awareness programmes alongside seven campus tours. Through these efforts, the campaign extended its reach to 150 secondary schools and junior colleges, benefiting an impressive 15,959 students. Significantly, 73.34% of the beneficiaries were from rural and tribal areas, underscoring the initiative’s commitment to fostering inclusive and equitable education. Furthermore, gender participation remained well-balanced, with 52.19% male and 47.81% female students engaging in various educational activities, including workshops and campus visits.

A key highlight of the campaign was the comprehensive presentation on the National Education Policy (NEP) 2020. The sessions were meticulously designed to cover multiple aspects of NEP-2020, including its structural reforms, opportunities for students, available scholarships, and digital initiatives introduced by the government. A panel of 70 eminent experts facilitated these workshops and awareness programmes, ensuring high-quality knowledge dissemination. To enhance engagement and comprehension, interactive sessions such as webinars, Q&A discussions, brainstorming exercises, and group discussions were incorporated. Notably, all content was delivered in the regional language, ensuring that students grasped the information effectively.

Additionally, seven structured campus tours were conducted, providing students with firsthand exposure to the facilities and opportunities available in higher education institutions.

The following detailed statistical analysis of the campaign’s activities, highlighting its extensive reach and effectiveness in fostering educational awareness and engagement across the university's jurisdiction.

Outcome and Impact

The School Connect Campaign has demonstrated a transformative impact on the participating students, evidenced by their enthusiastic feedback and high levels of satisfaction across various parameters. This initiative effectively combined awareness programmes and workshops, creating an engaging and enriching platform for students to explore diverse aspects of education, skill development, and future opportunities. The campaign received overwhelmingly positive feedback from the students who participated in its workshops and awareness programmes. The campaign's impact can be summarized based on the responses to five key parameters:

Enhance Educational Outreach and Awareness: - A significant number of students actively engaged with the campaign, as evidenced by 11,896 students strongly agreeing and 2,315 agreeing with this statement. This highlights the campaign's ability to encourage widespread involvement.

Challenges

During the execution of the School Connect Campaign, several challenges were encountered despite successfully engaging students through various educational activities:

Examination Schedules: - With board examinations for 10th & 12th standard students scheduled in February and March, their participation was minimal due to academic priorities.

School Engagement Issues: - Some schools were reluctant to participate due to academic commitments, lack of awareness, or administrative constraints.

Lack of Official Directives: - In the absence of official mandates from the School Education Department at the Mantralaya level, local and school administrations did not prioritize the campaign.

Access to Remote Areas and Infrastructure Constraints: - Reaching schools in tribal and core regions posed significant logistical and infrastructural challenges. Particularly in rural schools, inadequate basic infrastructure made it difficult to conduct activities effectively.

Conclusion and Suggestions

The School Connect Campaign 2.0 by Sant Gadge Baba Amravati University successfully promoted higher education awareness, particularly in rural and tribal areas. With 15,959 students participating, the initiative enhanced engagement in STEM, IKS, skill development, and scholarships, aligning with NEP-2020. Despite logistical challenges, the campaign effectively bridged the gap between school and higher education, improving GER. Positive student feedback highlights its success in motivating learners, expanding knowledge, and providing career insights.

Suggestions for Future Betterment: -

- **Strengthen Coordination with School Education Authorities:** Seek formal directives from the School Education Department to ensure institutional support at all levels and engage with school principals earlier in the academic year to integrate the campaign into their annual calendar.
- **Address Examination and Time Constraints:** Conduct the campaign in pre-exam months (August–November) to ensure maximum student participation.
- **Expand Outreach to More Remote Areas:** Collaborate with local NGOs and community leaders to improve campaign accessibility.
- **Increase Parental Involvement:** Organize parental awareness sessions to emphasize the importance of higher education and Provide career counselling helplines to address parental concerns regarding higher education costs and benefits.
- **Develop a Follow-up Mechanism:** Track student progress through mentorship programs and higher education enrollment data and create an alumni network where previous beneficiaries can guide new students.

By implementing these strategies, the School Connect Campaign can achieve even greater reach, and impact, ensuring that no student is left behind in the journey toward higher education and achieve the targeted objective of NEP-2020.

विद्यापीठ पुढाकार; शाळांसाठीही घेणार आता 'एनडपी'च्या कार्यशाळा

संत गाडगेबाबा विद्यापीठाने सोपवला 'स्कूल कनेक्ट २.०' उपक्रम

प्रतिनिधी | अमरावती

राष्ट्रीय शैक्षणिक धोरणात (एनडपी) शाळा व कनिष्ठ महाविद्यालयांच्या विद्यार्थ्यांसाठी असलेल्या तरुदी आणि त्यानुसार शिक्षक, मुख्याध्यापकांनी अंगीकारल्याची पद्धती समजून सांगण्यासाठी संत गाडगेबाबा अमरावती विद्यापीठाने पुढाकार घेतला आहे. 'स्कूल कनेक्ट २.०' असे या उपक्रमाचे नाव आहे.

एखादी विद्यापीठ हे केवळ उच्च शिक्षणाशी संबंधित घडामोडींकडे लक्ष पुरविते. परंतु सेवाभाव तसेच शैक्षणिक सहाय्य या परिभाषेनुसार शासनानेच आता विद्यापीठांवर ही जबाबदारी सोपवली आहे. त्यानुसार विद्यापीठांशी संलग्न असलेल्या महाविद्यालयांच्या परिसरात ज्यु शाळा व कनिष्ठ महाविद्यालये आहेत, त्यांना एनडपीबाबत माहिती दिली जाईल. त्यासाठी प्रत्येक महाविद्यालयात कार्यशाळेचे आयोजन केले जाणार आहे. यामध्ये संबंधित शाळांचे विद्यार्थी, शिक्षक, मुख्याध्यापक आणि प्रालक यांना सहभागी करून घेतले जाईल. तसे निदेश कुलगुरू डॉ. मिलिंद बारहाते यांनी सलीमन सर्व महाविद्यालयांना दिले आहेत.

या कार्य शाळामधून इयत्ता नववी ते बारावीपर्यंतच्या शाळा, महाविद्यालयांना बळकटी मिळेल. त्या ठिकाणी शिक्षण घेणाऱ्या विद्यार्थ्यांना विद्यापीठांनी तयार केलेल्या अनुभवाधिष्ठित, बहुविधाशास्त्रीय लवकचि असायसकम, मूल्यमापनातील श्रेयंक पद्धती आणि त्यामुळे आलेली लवचिकता, कल्पक, व्यावसायिक आणि कौशल्यवाचक आधारीत अभ्यासक्रम याचीही माहिती मिळेल. शिवाय रोजगाराभिमुख अभ्यासक्रमासाठी असलेल्या संघी, पदवी अभ्यासक्रमातील संघी, पदवी स्तरावर विद्यापीठातील पदव्युत्तर विभागांमध्ये कॅम्पस टूरचे आयोजन, प्रयोगशाळा, तेथील उपकरणे, विविध भौतिक सुविधा आदी बाबींबिषयीही माहिती दिली जाईल.

यासंदर्भात महाविद्यालयांचे प्राचार्य आणि माध्यमिक शाळांच्या मुख्याध्यापकांनी (इयत्ता नववी ते बारावी) आपपसोत संपर्क साधावा, असे आवाहन देखील कुलगुरू डॉ. मिलिंद बारहाते, प्र. कुलगुरू डॉ. महेंद्र डोरे, कुलसचिव डॉ. अनिनाश असनारे यांनी केले आहे. अधिक माहितीकरता डॉ. संदीप वाघुळे यांच्याशी संपर्क साधावा.
