About College

Shri Dnyaneshwar Maskuji Barungate
Science and Arts College, Shegaon

Barungate Science college, shegaon established in 2000 & Art faculty in 2006 is the first undergraduate science college in Shegaon taluk in Buldhara District western region of Maharashtra, India. It is a multi-faculty college located in the residential area of Dhangar Nagar, Shegaon. The college is affiliated to Sant Gadge Baba Amravati University, Amravati has been accredited with Grade B+ by the NAAC, Barungate with (GPA 2.62). The institute has qualified staff, sufficient support facilities and healthy atmosphere for achieving success in academics and administration.

Assessment and accreditation with the revised Framework effective from July 2017 making it more robust and technology enabled. The NAAC accreditation process is a major milestone for every college providing quality higher education. The recent amendments in the NAAC accreditation process not only empower higher educational institutions for enhancing the quality but also focus on all round development and well being of the learner. The current changes in the NAAC accreditation process have necessitated the institutions to undertake several initiatives to improve quality. It has become imperative for the institution to blend technology with quality in order to achieve the goals of the accreditation process. Implementing the newly prescribed revised accreditation framework, computer-assisted assessment systems can greatly aid in demonstrating compliance, increasing collaboration among teaching faculty, and improving the educational experience for teachers and students. In this regards the IQAC cluster India has taken enormous efforts in empowering the IQAC members across the country to face the NAAC accreditation process.

The IQAC of Shri. D. M. Barungate College under the guidance of IQAC cluster India has organized this workshop which will focus on the changes in the new accreditation process and would familiarize the participants on the various criteria and the stages an institution has to undergo before the accreditation process. This one day workshop will guide you through the process and will provide detailed insight into revised NAAC guidelines.
