

## Attainment of PO,PSO and CO Of Courses offered by Department of Law, SGBAU Amravati

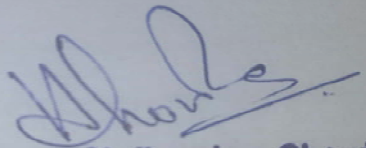

The courses offered by the PG. Department of Law, SGBAU has potential for social and community point of view. Since the P.G. course offered is for LL.B. passed out students having professional application, and required to address the issues like law and order, and coupled with visionary approach, these courses become relevant and strategic from social and community point of view.

As already stated, the subjects and specialisation of the P.G. Course(LL.M.) is visionary in nature and open the several dimensions of socio-economic and political issues. Since Law is an instrument an social change, the course provide the intrinsic view of social transformation and role played by law which help the Lerner to demystify the institutional role played by the Law as an social institution.

Apart from the same, since Law is also a product of traditional and culture and reflect the characteristic feature of every civilisation, this course rightly help the learner to develop the value based application of law. It further helps to enhance the understanding and research ability of the learner to address the issues.

At the same time the yet another P.G Diploma in Human Right Education offered by the Department further help the learner to enhance the understanding, ability and analysis to the issue regarding the human rights and also help to make the sensitive towards the issues regarding Human rights violation.

Ultimate outcome of the courses offered by department and imbibe by the Lerner helps to make the legal knowledge meaningful, develop the research ability, curiosity amongst the students and human sensitive approach towards the socio-legal and political issues.
