Feedback Response Report

Feedback is taken every year from outgoing students. The students are asked submit their feedback on curriculum and its relevance with current scenario, society, jobs, placements etc . The students mostly give the ratings to the various parameters related to curriculum and its design of contents. The analysis of the responses received through feedback is carried out every year and it is tried to fulfil and implement I the response given to the respective parameter. Various responses to various parameters is analyzed and action is taken and detailed report regarding this is given below:

Ratings about following was asked in a feedback in one question:

1. Learning value in terms of skills, concept, knowledge, analytical abilities, or broadening perspectives)
2. Applicability/relevance to real life situation
3. Depth of course content
4. Extent of coverage of course
5. Extent of effort required by students
6. Relevance /learning value of project/report
7. Overall rating

Students have given 7-9 ratings out of 10 for parameter 1, 8-9 ratings for parameter 2, 8 for parameter 3, 8-9 for parameter 4, 7-9 for parameter 5, 7-9 for parameter 6, 7-9 for parameter 7.

This indicate that students are satisfied regarding the curriculum, its contents and its relevance. Also. Question about adequacy about the syllabus was asked. Through feedback 85-90% of the feedback mentioned satisfaction indicating it as adequate and challenging.

Students were asked about the background for benefitting from the course and 80-90% of the feedback mentioned it as adequate and benefitting.

Students were asked about percentage of syllabus taught in class and 75-90% ratings have got the in most of the responses.

Students are asked about the weightage of the course for internal assessment and 70-90% of the students have given response to the 50-75% range.

Students were asked about the feelings when they meet students who have taken a similar programme at other universities and 70-80% students have responded with 'superior' parameter.

Students were asked about the overall rating about academic content and 80-90% students have given their feedback as 'Good' and 'Very good'.
