

ONE DAY ORIENTATION WORKSHOP ON
"INTELLECTUAL PROPERTY RIGHTS"
(August 26, 2016)

Jointly organised by RUSA, Govt. Of Maharashtra & PATENT CELL,
Sant Gadge Baba Amravati University, Amravati

To,

Dear Sir/Madam,

Protecting original ideas and inventions is essential in today's knowledge-based economy. Universities too are making increasing use of the patent system to safeguard and commercially exploit their research results and to facilitate technology transfer to industry partners. Today's students are the engineers, researchers, lawyers, politicians and managers of tomorrow, and it is important that they embark on their careers with at least a basic knowledge of the patent system. There is a real source of inventiveness and creativity in every country and must be harnessed and supported and we believe that vast academic potential and exceptional talent of our university must be used for the benefit for the society.

The workshop is being organised jointly by Patent Cell, Sant Gadge Baba Amravati University and RUSA, Govt. of Maharashtra. The workshop aims to raise IP awareness and improve IP education by integrating and developing IP teaching in university. It offers a unique opportunity for you to encourage and extend IP knowledge at all levels of academia and beyond.

The workshop is being organized for PG teachers, Ph.D. Supervisors, Research scholars and Fresh Ph.D. holders of Science, Engineering and Law faculties.

College Principals are requested to permit at least five Ph.D. supervisors along with their two research scholars.

Head, Post Graduate Departments of Science, Engineering and Law faculties may depute all interested faculty members and as many as research scholars possible.

Date of Workshop: **August 26, 2016**

Venue: **A V Theatre, Sant Gadge Baba Amravati University**

Registration opens on : **August 16, 2016**

Registration Closes on: **August 24, 2014**

Please ensure that registration form should be submitted on line (<https://goo.gl/forms/IDI0ibfILoL5wDyD2>) or reached to following address on or before 24th August 2016, 5:00 PM.

About Workshop:

Protecting original ideas and inventions is essential in today's knowledge-based economy. Large corporations, small businesses and start-ups use patents to ensure their ideas cannot be copied and to defend their competitive edge. Universities too are making increasing use of the patent system to safeguard and commercially exploit their research results and to facilitate technology transfer to industry partners.

An awareness of patents, how they work and how they can benefit companies and research institutions is vital for employees in a wide range of industries. Today's students are the engineers, researchers, lawyers, politicians and managers of tomorrow, and it is important that they embark on their careers with at least a basic knowledge of the patent system.

The workshop is being organised jointly by Patent Cell, Sant Gadge Baba Amravati University and RUSA, Govt. of Maharashtra. There is a real source of inventiveness and creativity in every country and must be harnessed and supported and we believe that vast academic potential and exceptional talent of our university must be used for the benefit for the society.
