**Respected Sir/Madam**

It gives us immense pleasure to cordially invite you to **state level one day**

**workshop on 'Teaching Methodology'** organized by IQAC, Rajarshree Shahu Science College, Chandur Railway, Amravati in collaboration with IQAC, S.G.B. Amravati University, Amravati on **January 04, 2019.**

**About College:** The Rajarshree Shahu Science College, Chandur Railway, Amravati was established in the year 2008 under the visionary able leadership of Hon. Prof. Anasaheb Jagtap, Prof. Virendrabhau Jagtap and Prof. Mrs. Uttaratai Jagtap. The college is 100% grant-in-aid UG Science College affiliated to Sant Gadge Baba Amravati University, Amravati. In no time the college finds it's foundation so well heeled with all basic infrastructures and has shown quantum jump in all dimensions like academic, co-curricular activities, conducive teaching-learning atmosphere and administration along with lush green campus. The college is committed to impart the quality education to its students.

**About City:** Chandur Rly is a tahsil place well connected to the Amravati by rail and road. It is situated on Nagpur-Mumbai main railway route. It is at a distance of 34 Km from Amravati district and 140 Km from Nagpur district. It is situated in the vicinity of most beautiful forest area Pohara (Bandi) where there is nature biodiversity spot at Malkhed Reserve Forest. Also, the mythological historic place Kaundanyapur, Birth place of Devi Rukhmini, is just 29 km from the city on the Kurha-Arvi road.

**About Workshop:** It is rightly said that quality education is a dynamic concept. It is one that is pedagogically and developmentally sound and educates the student in becoming active and productive members of society.

A class has diverse students and it becomes a teacher's responsibility to provide differentiated and quality instructions. We live in information technology era. It is the need of the hour to make the students get well trained to be best entrepreneurs that are able to grab business opportunities, be innovative and have skills to invent new product models. Teaching staff, especially college and university teachers are the driving force of quality education and in a long run it leads to an excellent student education. To further promote quality education, this workshop has been initiated to help the teacher fraternity successfully transfer learning from a professional development setting to a classroom setting.

The aim of the workshop is to help embrace novelty in teaching and to apply new skills, strategies and diverse range of instructional practices. The objective of the workshop is to enable the facilitators to apply high yield instructional practices and create an interesting, interactive classroom and unique students.
