M.A. Part I (Sociology)

Sem – I & II

Syllabus

(NEP - v23)

Session – 2023-24

Sant Gadge Baba Amravati University, Amravati
Faculty: Humanities
Two Years – Four Semester Master’s Degree Programme – NEPv23
Programme: M.A. (Sociology)
Part A

POs:

- 1: Critical and Analytical Thinking :** Sociological knowledge at Post Graduate level helps of students to develop critical and analytical thinking on various issues of society which promote their ideas and decisions (intellectual, organizational, and personal) from different perspectives.
- 2: Effective Communication:** The subject of Sociology is an Interdisciplinary as well as Trans-disciplinary discipline. It is also concerned with Literature available in different languages. Students who study this subject, can effectively develop their communication skills which are quite relevant in terms of employability, personality development and sustainability in society.
- 3: Social Responsibility:** Sociological knowledge and work experiences helps students to effectively improve their social responsibility in various spheres of social life..
- 4: Effective Citizenship and Nation Building :** Exposure to sociological knowledge and work experiences contributes to effective citizenship and nation building..
- 5: Social Ethics:** The discipline of Sociology with the help of various papers involves teaching, research and extension activities based on social ethics.
- 6: Environment and Sustainability:** PG course in Sociology also covers various issues related to environment and sustainable development.
- 7: Life-long Learning:** Sociology helps to independent thinking and life-long learning in various aspects of life in society.

PSOs:

- 1:** Postgraduate students will be able to demonstrate and apply their knowledge of Rural Sociology, Urban Sociology, Sociology of Health, Sociology of Religion, Sociology of Movements, Tribal Studies and Sociology of Development to solve various social problems related to Indian society.
- 2:** Postgraduate students will be able to demonstrate and apply the principles of Research Methodology in the design and analysis of their research on various social issues.
- 3:** Students will be able to gain fundamental knowledge in Industrial Sociology for higher productivity and better management of industrial Modules.
- 4:** Students having knowledge in Sociology of Health will be able to (a) understand social background of various patients and diseases and b) they can serve better in different levels of health centres.
- 5:** Students having sound theoretical knowledge in various Sociological concepts and theories can do better research and explain analytically various problems in society.

Employability Potential of the Programme:

The PG syllabus of Sociology is designed as per the need of academics and the guidelines given by UGC and for various other competitive examinations. The curriculum provides a common platform to accumulate higher knowledge in various interdisciplinary subjects which has tremendous relevance at local, regional, national and international fields of development. The syllabus of Sociology is mainly concerned with imparting both theoretical and field work knowledge to students in the subject. The programme has a great potential in respect of employability of students in terms of following points.

- i) By imparting qualitatively higher knowledge in the subject at M.A (PG) level.
- ii) By equipping the students with the latest sociological knowledge, research aptitudes and skills.
- iii) By providing opportunity Modules and encouraging students for carrying on research works in different research centres and undertake research projects sponsored by different agencies at state, national and international levels.
- iv) By giving training to the students for various competitive examinations i.e SET \NET MPSC \ UPSC etc.
- v) By encouraging our students for various extracurricular and extension activities at different levels.
- vi) By providing guidance to students for various social work oriented projects or programmes Government Organizations at different levels.

- vii) By enabling students to perform better in their respective jobs related to specialized Subject Papers.
- viii) The syllabus is also concerned with Literature available in different languages. Students who study this subject, can effectively develop their communication skills which are quite relevant in terms of employability, personality development and sustainability in society.
- ix) Sociology is also concerned with ICT which helps students to develop knowledge and skill as essential for employability.
- X) By encouraging students to carry on various social works through NGOs at regional, national and international levels.
