4: Students having knowledge in Sociology of Health will be able to (a) understand social background of various patients and diseases and b) they can serve better in different levels of health centers.

5: Students having sound theoretical knowledge in various Sociological concepts and theories can do better research and explain analytically various problems in society.

Employability Potential of the Programme:

The PG syllabus of Sociology is designed as per the need of academics and the guidelines given by UGC and for various other competitive examinations. The curriculum provides a common platform to accumulate higher knowledge in various interdisciplinary subjects which has tremendous relevance at local, regional, national and international fields of development. The syllabus of Sociology is mainly concerned with imparting both theoretical and field work knowledge to students in the subject. The programme has a great potential in respect of employability of students in terms of following points.

- i) By imparting qualitatively higher knowledge in the subject at M.A (PG) level.
- ii) By equipping the students with the latest sociological knowledge, research aptitudes and skills.
- iii) By providing opportunities and encouraging students for carrying on research works in different research centers and undertake research projects sponsored by different agencies at state, national and international levels.
- iv) By giving training to the students for various competitive examinations i.e SET \ NET \ MPSC \ UPSC etc.
- v) By encouraging our students for various extracurricular and extension activities at different levels.
- vi) By providing guidance to students for various social work oriented projects or programmes Government Organizations at different levels.
- vii) By enabling students to perform better in their respective jobs related to specialized Subject Papers.
- viii) The syllabus is also concerned with Literature available in different languages. Students who study this subject, can effectively develop their communication skills which are quite relevant in terms of employability, personality development and sustainability in society.
- ix) Sociology is also concerned with ICT which helps students to develop knowledge and skill as essential for employability.
- x) By encouraging students to carry on various social works through NGOs at regional, national and international levels.

Part B
Programme: M.A. (Sociology)
Semester 1

Code of the Course/Subject	Title of the Course/Subject	(Total Number of Periods)
CST	Core Paper-1 Classical Sociological Thinkers	60
MSR	Core Paper -2 Methodology of Social Research	60
PIS	Elective Paper 3–A Perspectives of Indian Society	60
RSI	Elective Paper 3–B Rural Society In India	60
SOR	Elective Paper-4-A Sociology of Religion.	60
SMI	Elective Paper 4–B Social Movements in India	60

PG Programme: M.A. Sociology
Semester -2

Code of the Course/Subject	Title of the Course/Subject	(Total Number of Periods)
CST	Core Paper-1 Classical Sociological Thinkers	60
MSR	Core Paper -2 Methodology of Social Research	60
HS	Elective Paper 3–A Health and Society	60
USI	Elective Paper 3–B Urban Society In India	60
CATS	Elective Paper-4-A Cultural Anthropology & Tribal Studies	60
SMI	Elective Paper 4–B Social Movements in India	60

It is the task to encourage ethical scholarship and to inform students and staff about the institutional standards of academic behavior and excellence expected of them in learning, teaching and research. Students have a responsibility to maintain the highest standards of academic integrity in their work. Students must not cheat in examinations or other forms of assessment and must ensure that they do not plagiarize “Rules and Regulations” of our University.

- The M.A. degree will be awarded to students who complete a total of 64 credits in a minimum of two years taking four courses per Semester (4 x 4=16 credits).
- Each paper will be of 4 credits, the evaluation of which will be decided by the teacher.
- A student may take three courses (totaling to twelve credits) per semester from the Sociology and therefore one course of four credits from any other department per semester.
- In case a student wishes to take all courses from the Sociology they can also do so.
- All courses are open for all students from outside. Eligibility for registering for each course will be decided by the departmental committee.
- For the students doing M.A. degree in Sociology, the courses are divided into Compulsory and Optional / Elective Papers. The optional Papers /courses are put together in groups of three courses each for specialization in Semester one and two.
- In case the student wishes to take all optional from Sociology, s/he can do so by registering for any of the courses of other groups in each of the Semesters.
- Each course will have : 60% of marks as semester end examination. Out of remaining 40 Marks, 20 marks for MCQ and 20 marks for Internal Assessment.
- Each core Module will have an internal (continuous) assessment of 40% of marks and a teacher may select a minimum of two of the following procedures:
- Written Test (Answer for each Long Question is for 12 Marks and Answer for each Short Question is for 3 Marks)

**Programme: M.A. Sociology
Semester I**

Code of the Course/Subject	Title of the Course/Subject	Total Number of Periods
CST/ Sociology Paper 1	Classical Sociological Thinkers	60

COs

In this paper, students acquire original theoretical knowledge on sociological thought of classical sociological thinkers.

Unit	Content
Unit I	Rise and Development of Sociology and Sociological Theories. A) The Social, Economic and Political Forces in the Development of Sociology and Sociological Theories. B) Intellectual, Philosophical force in the Development of Sociology and Sociological Theories (12 periods)
