About the Department

Department of Commerce, where the students meet with the required skills and gain knowledge.....

We believe Commerce Connects the Dots between Arts and Science and today many more subjects.

Commerce Department tries students shall achieve great heights, they shall upgrade themselves with new skills every now and then.

We, also focus on 360 Degree Development of the Students. Department has produced many merit students in past years. Furthermore, in state level competitions like Avishkar students of the department became Colour coat holder. In such a way, wherever there is even a slight possibility, faculty at the department promotes students to go ahead and explore. Department also held various competition inter-college and inter-department competitions to make this journey more interesting and make the students more competent because we at the department believe even a slightest ray of light can do wonders in a Student's Life.

We at Department of Commerce believe,

- ✓ Learning is a Lifelong Process.
- ✓ Learning is a collaboration among Department, Society and Business.
- ✓ Student's Development is our Priority.
- ✓ All students have the ability to Learn.
- ✓ Every student learns in different ways.
- ✓ Department must be supportive, and encouraging.
- ✓ Along with learning and gaining knowledge, values and ethics are also crucial.

Teaching Learning Pedagogy

Department has been using different methods to provide best ever Teaching Learning Experience to the students. For instance,

Lecture Method

Seminars

Demonstration Method

Workshops

Team Teaching Method

Brain Storming

Problem Solving Method

Role Play

Project Handling

Surveys and Market Studies

Discussion Method

Teaching Learning Process

Faculty at the department works really very hard to provide the best to students. Students are provided with subject related learning materials, resources including handbooks, reference books, e-content materials, etc. In addition to that, Power Point Presentations, audio-visual aids are utilized. Two different newspapers are called to promote reading and to make students aware about the happenings within and outside the country. They are encouraged to write research paper in their second year thus promoting inquisitiveness for research among students. In various ways, Commerce Department is enriching knowledge, values, confidence, ethics etc. in students which will surely be utilized in the present and latter parts of they life.

Evaluation and Assessment

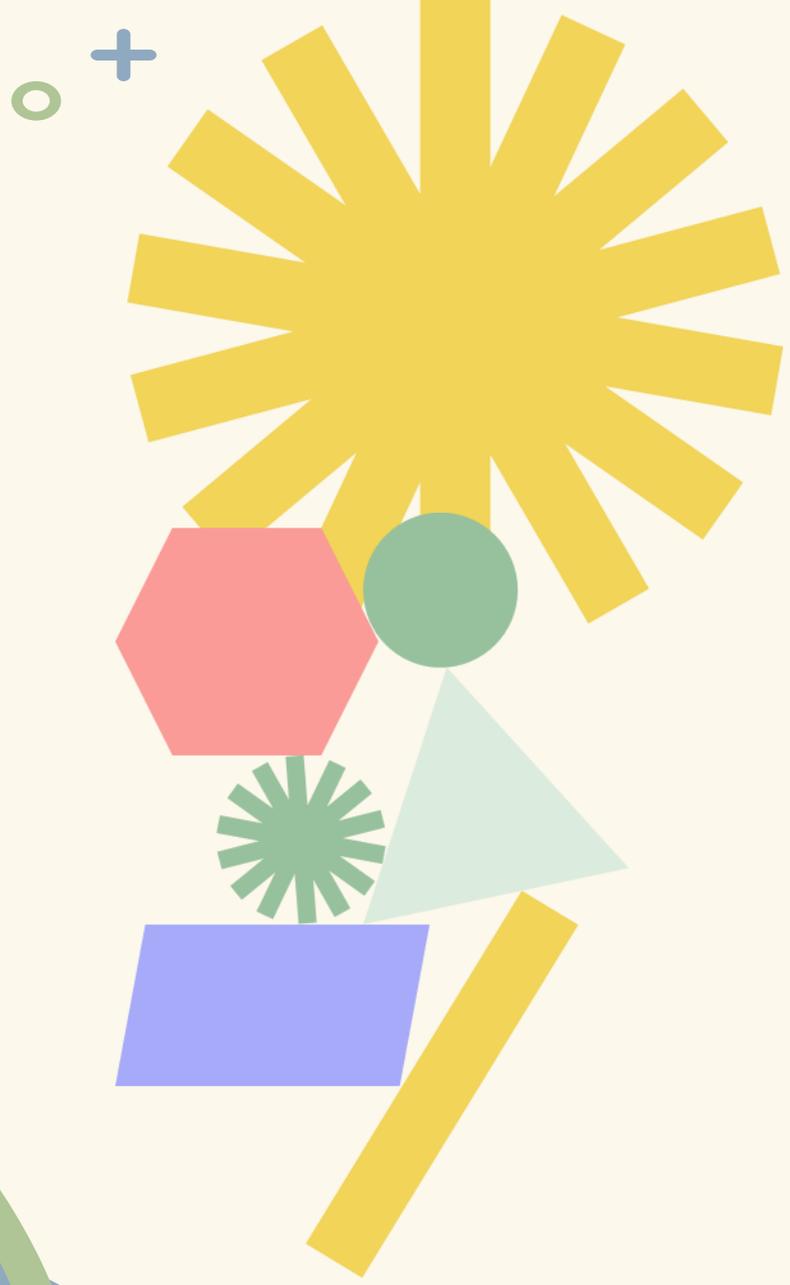

Assessment has a crucial role to play when it comes to Education. It is an integral part of the learning process. It checks whether the students have gained the required knowledge or skill taught for a particular program. In this case, faculty at the department makes sure that the students understand the topic and concept well and proves the same when the examination time turn up. It is evident from the past results of the students which were in merit list that right guidance is provided by the faculty at the department. Along with the right guidance, timely information is communicated to the students about it considering the importance of the evaluation and assessment in education. The course follows CBCS Pattern in which internal assessment constitute 20% whereas University Examination constitute of 80% of the total weightage. Department supports students throughout the learning process till the final assessment so that these students don't fear to fly high in the sky of the professional world or working life....

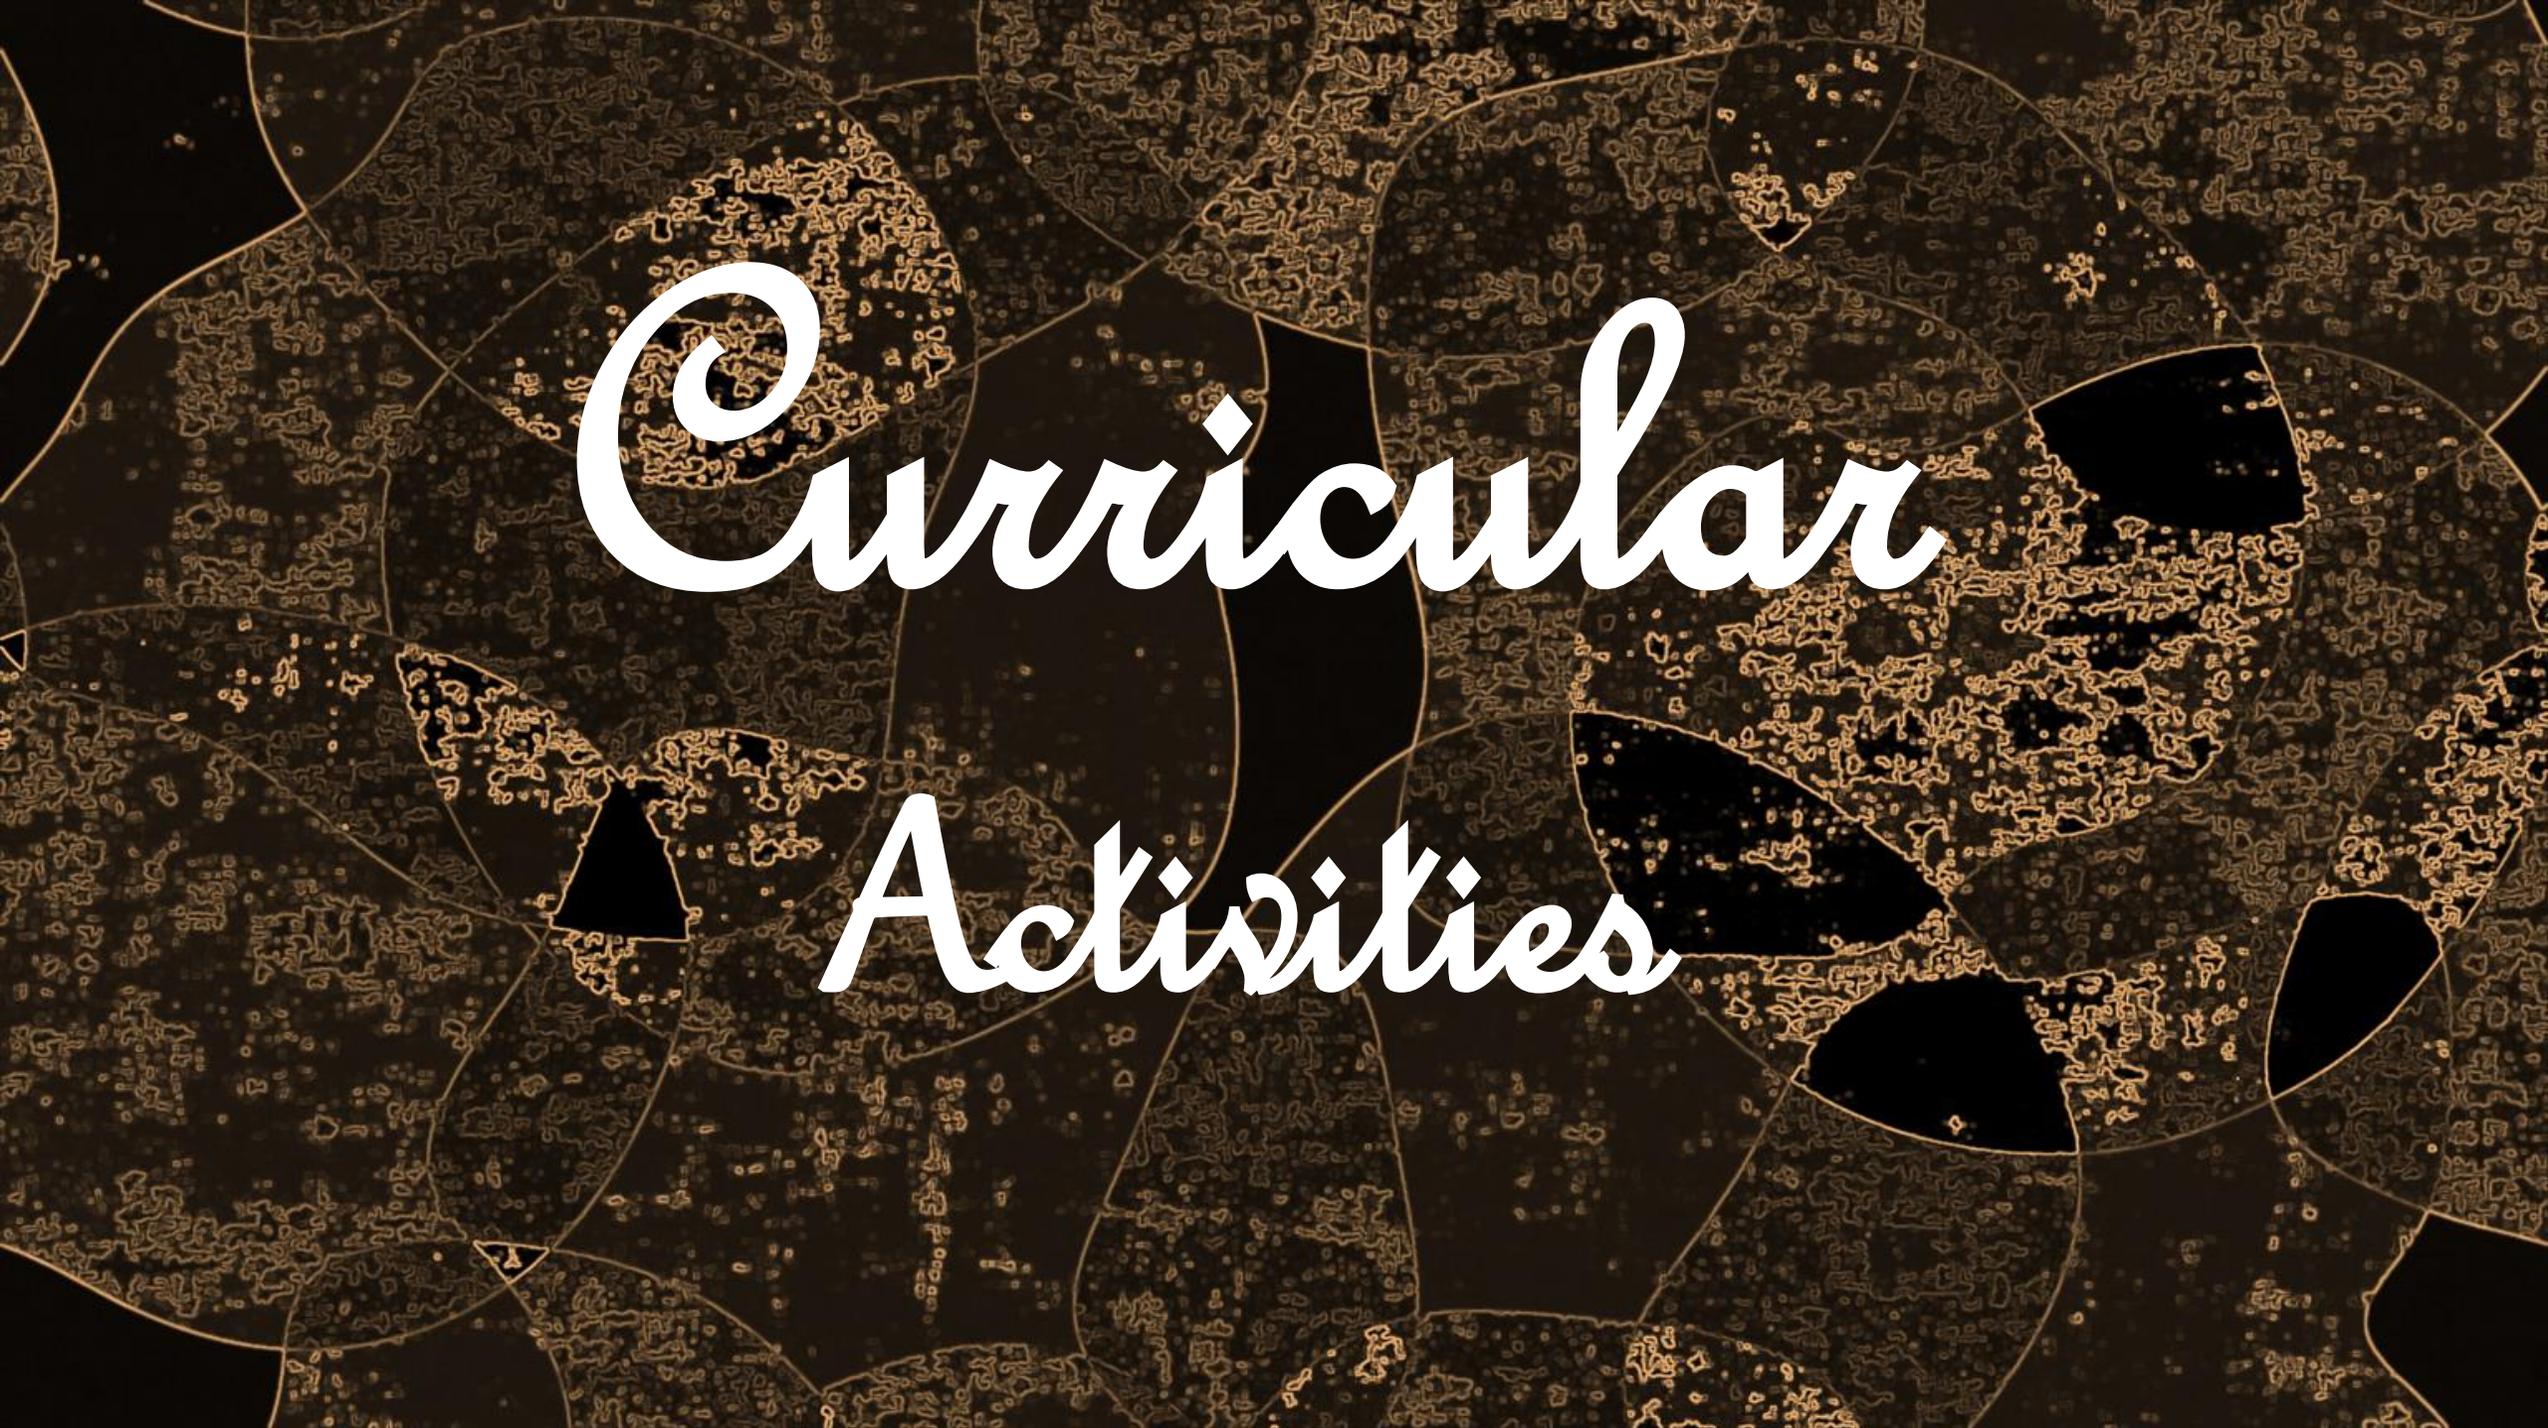

Nurturing Creativity

Creativity has become an essential part of work and life. Department develops creativity among students through various ways such as displaying their ideas and work on the Display Board. By giving them opportunity to perform in different activities, arranging various group discussion for students, by motivating them to participate in competitions within the University campus as well as outside the campus in colleges etc

Activities*

The Induction Initiative: From Newcomers to Thrivers

20 Sept 23 to 24 Sept 23

Induction program is an essential component of welcoming and orienting new students to the academic community. It serves as a comprehensive introduction to college life, ensuring a smooth transition and setting the stage for a successful academic journey.

The first day of the program was done in dual mode online as well as offline; first half of the event was online and the second half was offline. All the dignitaries, Hon'ble Ex. Vice Chancellor Dr. Dileep Malkhede, Hon'ble Ex. Pro-Vice Chancellor Dr. Vijaykumar Chowbe, Registrar Dr. Tushar Deshmukh, HOD of Microbiology and Coordinator of Student Induction Programme Dr. Niteen Phirke and the guest of Honour Principal HVPM Dr. Anant Marathe were present.

The primary goal of the induction program is to provide incoming students with the necessary tools, resources, and information to adapt to department's environment effectively. It covers various aspects such as academic expectations, campus facilities, student services, extracurricular activities, and campus culture.

Hands on Auditing & Accounting for Business Excellence

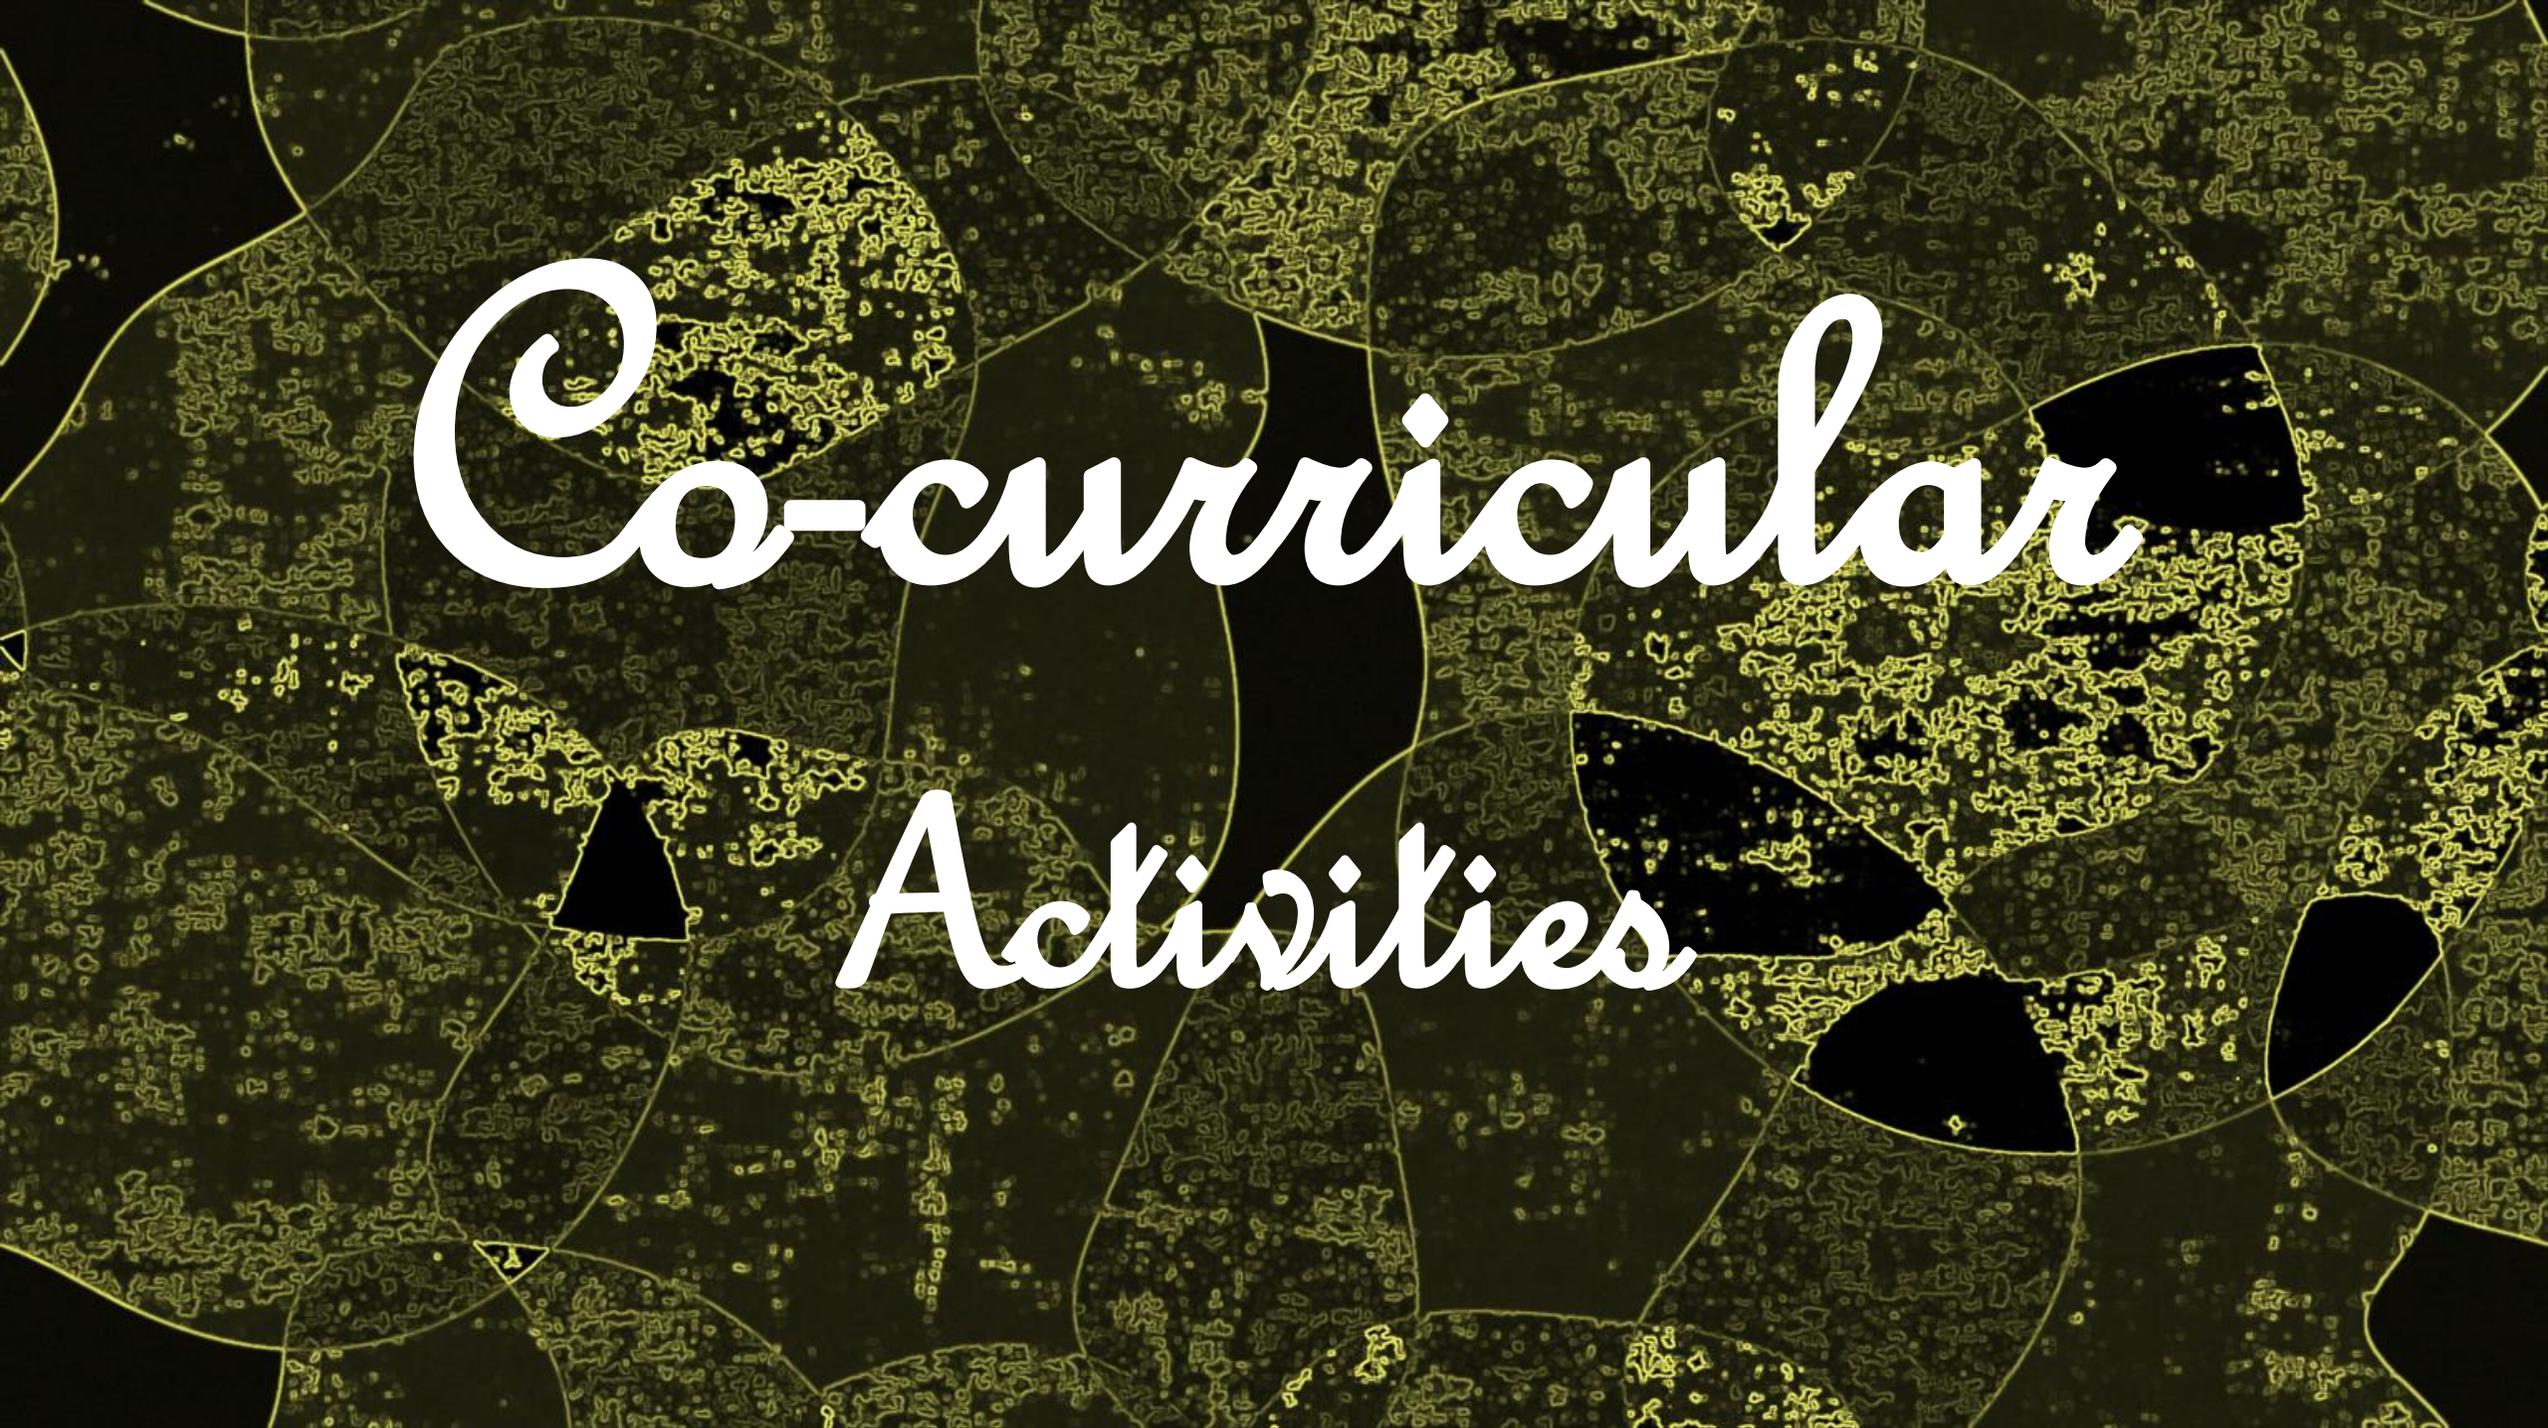

A workshop on audit and accounting practices was organised by the department where Mr. Sagar Dhakulkar Assistant Manager, HDB Finance Pvt. Ltd. Pune was invited.

Audit and accounting practices are integral components of financial management and reporting for organizations across various sectors.

Auditing involves a systematic and thorough examination of financial records, transactions, and statements to ensure their accuracy,

*Co-curricular
Activities*

VISIT TO WASA: ANIMAL RESCUE CENTRE..

Department of Commerce visited WASA which is an Animal Rescue Centre in Amravati on 1 Oct 2022. Visiting a rescue center is an experience that can be both enlightening and impactful. These centers provide a safe heaven for animals, offering them shelter, medical treatment, nourishment, and the chance to find loving forever homes. Seeing the dedication and compassion of the staff and volunteers who work tirelessly to ensure the animals' well-being was truly inspiring. Many of these facilities offer educational programs and information on topics such as proper training and the commitment required to provide a loving home for an animal. It is an opportunity to make a difference in the lives of animals in need, and in doing so, we enhance our own understanding of the importance of kindness and care towards all living beings.

Welcome Program: Freshers Event

Language Significance: हिंदी दिवस

Cherishing and celebrating every single thing is considered a ritual within the department. Languages play a crucial role in all fields. Hindi, being a national language, holds a lot of importance. Therefore, Hindi language is cherished, and Hindi Diwas is celebrated at the department.

Food Fare

Food Fare or community kitchen organised on 30 November 2022. This event develops team spirit, leadership etc qualities among students. Here, all students prepare food together which builds a strong relation among them thus this event develops rapport, team spirit etc among the students directly or indirectly.

Makar Sankranti Festivity

Students at department celebrated makar sankranti by flying kites, exchanging sweets and traditional delicacies. It is a time for people to come together, strengthen bonds, and express gratitude for the bounties of nature. It is a mark towards celebration of abundance, unity, and the hope for a prosperous future.

SPORTS CARNIVAL

Sports carnival took place from 17 Jan to 20 Jan 2023. A sports event is a vibrant and exhilarating occasion that brings together all the students to celebrate physical prowess, teamwork, and healthy competition. Various sports activities were arranged for students such as cricket, lagori, carrom, chess, kho-kho etc. These not only entertain and inspire, but also serve as a platform for fostering unity, sportsmanship among students. Sports have it all, the power to captivate hearts and transcend cultural boundaries, reminding us of the incredible power and beauty of human physical achievement.

Ozone Day

On Ozone Day 16 September 2022, plantation programme was organised followed by speeches marking the importance of environment. Students bought samplings for the department and planted and placed them in the corridor.

Farewell Program & Parent Teacher Meet

Farewell program was organized on 6 May 2023 at Auditorium, Department of Business Administration and Management, SGBAU.
