NOTIFICATION

MAHARASHTRA PUBLIC UNIVERSITIES ACT, 2016.

No. Misc-2016/C.R. 347/Desk-Vishi-3.—In exercise of the powers conferred by sub-section (10) of section 72 read with sub-section (13) of section 71 and section 67 of the Maharashtra Public Universities Act, 2016 (Mah. Act. No. VI of 2017), the Government of Maharashtra hereby, prescribes the uniform Statute relating to procedure for conduct of Elections to various authorities and bodies of the university, namely :—

UNIFORM STATUTE No. 1 OF 2017.

1. *Short title.*—This Statute may be called the Maharashtra Public Universities (Procedure for Conduct of Elections to Various Authorities and Bodies of the University) Uniform Statute, 2017.

2. *Definitions.*—(1) In these Statutes, unless the context otherwise requires,—

(a) “Act” means the Maharashtra Public Universities Act, 2016 (Mah. VI of 2017);

(b) “clear days” means all days in a schedule with exclusion of both the first and the last day (e.g. from Monday to Monday, there are six clear days);

(c) “continuing candidate” means any candidate not elected or not excluded from the poll at any given stage of counting of votes;

(d) “count” means all the operations involved in the counting of the first preferences recorded for candidates; or all the operations involved in the transfer of the surplus of an elected candidate; or all the operations involved in the transfer of the votes of an eliminated candidate or of two or more candidates eliminated together;

(e) “elector” means any person entitled to vote in the election of any authority or body of the University;

(f) “first preference” means the digit “1” standing alone opposite the name of a candidate; “second preference” means the digit “2” standing alone opposite the name of the candidate in succession to the digit “1”; “third preference” means the digit “3” standing alone opposite the name of a candidate in succession to the digits “1” and “2” and so on, on the voting paper;

(g) “next available preference” means a second or subsequent preference recorded in consecutive numerical order for a continuing candidate, the preferences, next in order on voting paper for candidates already elected or eliminated from the poll being ignored;

(h) “non-transferable paper” means a voting paper on which no second or subsequent preference is recorded for a continuing candidate or the names of two or more candidates (whether continuing or not) are marked with the same number and are next in order of preference; or the name of the candidate next in order of preference (whether continuing or not) is marked by a number not following consecutively after some other number on the voting paper; or by two or more numbers or for any other reason it cannot be determined for which of the continuing candidates the next available preference of the elector is recorded;

(i) “original vote” in regard to any candidate means a vote derived from a voting paper on which a first preference is recorded for that candidate;

(j) “quota” means the number of votes sufficient to secure the election of a candidate, determined at each election by dividing the total number of valid votes cast at an election by the number of vacancies to be filled plus one at that election and by adding one to the result so arrived at, any fractional remainder in doing so shall be disregarded;

e.g.—

$$\text{Quota} = \frac{(\text{Total number of valid votes})}{(\text{number of vacancies}+1)} + 1$$

Example : Number of vacancies = 5

Valid votes = 100

$$\begin{aligned} \text{Quota} &= \frac{100}{5+1} + 1 \\ &= 16.67 + 1 \\ &= 17.67 \\ &= 17 \end{aligned}$$

(17.67 shall not be rounded off to 18, because already '1' is added to the 16.67);

(k) "Registrar" means Registrar of the University;

(l) "surplus" means the number of votes by which the total number of original and transferred votes, credited to any candidate, exceeds the quota;

(m) "transferable paper" means a voting paper on which, following the first preference, a second or subsequent preference is recorded in consecutive numerical order in favour of a continuing candidate;

(n) "transferred vote" in regard to any candidate means a vote derived from a voting paper on which a second or subsequent preference is recorded for that candidate.

(2) Words and expressions used but not defined in these Statutes shall have the same meanings respectively assigned to them in the Act.

3. *Display of Information Relating to Election.*—The University shall create a separate portal on the official web site of the University, namely 'Election Portal' and in addition to formal display on designated notice board, all notifications, notices, electoral roll and all other information and documents related to conduct of elections to various authorities and bodies of the University shall be published on the said Portal.

(4) Names of contesting candidates shall be notified to voters within three days after the last date of withdrawal of nominations.

(5) The Polling Officer shall ensure that the law and order is maintained at the polling centre. No person other than a voter shall be permitted to enter the polling compartment.

(6) No voter shall be allowed to enter the polling compartment for recording his vote before the commencement or after the expiry of the period fixed for the purpose.

(7) Immediately before the polling commences, the Polling Officer shall show to the candidate or his authorized agents present at the Polling Centre that the ballot box is empty and shall then lock and seal it for the use.

(8) Immediately before the ballot paper is issued to a voter, the number of the voter shall be entered on the counterfoil, and the same shall be signed by the voter and a mark shall be placed by the issuing officer in his copy of the electoral roll against the number of the voter to whom the voting paper is issued.

(9) Before the ballot paper is issued to a voter, a mark of indelible ink shall be made on the forefinger of the right hand of the voter. In the case where the voter has his forefinger missing, a mark of indelible ink shall be made on any other finger of his right hand, and in the case where all the fingers of his right hand are missing, a mark of indelible ink shall be made on the forefinger or any other finger of his left hand, and in the case where all his fingers of both the hands are missing, a mark of indelible ink shall be made on his right or left arm as he possesses.

(11) If the polling officer is satisfied that owing to blindness or other physical infirmity, a voter is unable to make a mark on the ballot paper without assistance, he shall permit the voter to take with him a companion of not less than eighteen years of age to the polling compartment for recording the vote on the ballot paper on his behalf and in accordance with his wishes, and, if necessary, for folding the ballot paper so as to conceal the vote and inserting it into the ballot box :

Provided that, no person shall be permitted to act as the companion of more than one voter at any polling centre on the same day:

Provided further that, before any person is permitted to act as the companion of a voter on any day, he shall be required to declare that he will keep secret the vote recorded by him on behalf of the voter and that he has not already acted as the companion of any other voter at any polling centre on that day. The polling officer shall keep a record of such declaration and submit the same to the Registrar.

(12) Every voter shall vote without undue delay, and shall leave the polling centre, as soon as, he has put his ballot paper into the ballot box.

(13) After the voting hours are over, the ballot box shall be sealed and handed over to the University.

(14) If a voter spoils his ballot paper inadvertently, he may be given another and the spoiled paper and its counterfoil shall be cancelled by the Polling Officer. All spoiled papers and counterfoils shall be sent to the Registrar by the Polling Officer.

(15) The voters shall not be allowed to carry mobile phones, tablets or any other electronic communication gadgets in the polling compartment.

(1) All voting papers shall be scrutinized by the Registrar or by such other person or persons as may be authorized by the Registrar. The Registrar may delegate his power in relation to scrutiny and counting of voting papers to any other person or persons under his control.

(2) The candidate or his agent, who shall be a voter of a particular constituency, duly authorized by him in writing on his behalf shall be entitled to be present at such scrutiny.

(3) When there are more polling centres than one, voting papers of all the polling centres shall be first mixed up and then scrutinized by the Registrar or such other person or persons as may be authorized by the Registrar.

15. *Counting of Voting Papers.—*

(1) After the voting papers for an electoral body have been scrutinized and counted, the Registrar or the person or persons authorized by him, shall examine the voting papers and shall sort them into parcels according to the first preference recorded for each candidate, rejecting voting papers that are invalid.

(2) The Registrar or the person or persons authorized by him, shall then count the number of voting papers in each parcel and shall credit each candidate with a number of votes equal to the number of valid papers on which a first preference has been recorded for such candidate. The Registrar shall then compile the data regarding the total number of valid voting papers and determine the quota.

(3) The candidate or his agent who shall be a voter of the particular constituency, duly authorized by him in writing on his behalf shall only be permitted to be present during counting of votes. No person other than the candidate or his authorized agent and the person involved in election process shall be allowed within a radius of reasonable distance from the place of counting.

(4) If at the end of any count, the number of votes credited to a candidate is equal to or greater than the quota, the candidate shall thereupon be declared as elected.

(5) If at the end of any count, the number of votes credited to a candidate is greater than the quota, the surplus shall be transferred, as provided in this Statute, to the continuing candidates for whom the next available preferences have been recorded on the voting papers in the parcel or sub-parcel last received by the elected candidate.

(6) If more than one candidate has surplus, the largest surplus shall be first dealt with. If two or more candidates have equal surplus, the surplus of the candidate with the greatest number of votes at the first count at which the candidates in question have an unequal number of votes shall be first dealt with. When the number of votes credited to such candidates is equal at all counts, the Registrar shall determine by lot which surplus he will first deal with.

(7) The Registrar or the person or persons authorized by him, shall not transfer a surplus when that surplus, together with any other surplus not transferred, is less than the difference—

(a) between the votes of the candidates lowest on the poll and the votes of the next highest candidate; or

(b) between the total of the votes of the two or more candidates lowest on the poll and the votes of the next highest candidate :

Provided that, the exclusion from the poll of the aforesaid two or more candidates lowest on the poll shall not reduce the number of continuing candidates below the number of vacancies remaining to be filled.

(8) (a) If the votes credited to an elected candidate consist of original votes only, the Registrar or the person or persons authorized by him, shall examine all the papers contained in the parcel of the elected candidate whose surplus is to be transferred.

(b) If the votes credited to an elected candidate consist of original and transferred votes, or transferred votes only, the Registrar or the person or persons authorized by him, shall examine the papers contained in the sub-parcel last received by the elected candidate whose surplus is to be transferred.

(c) In either case, the Registrar or the person or persons authorized by him, shall sort the transferable papers into sub-parcels according to the next available preference recorded thereon, shall make a separate sub-parcel of the non-transferable papers and shall ascertain the number of papers in each sub-parcel of transferable papers.

(9) If the total number of papers in the sub-parcels of transferable papers is equal to or less than the surplus, the Registrar or the person or persons authorized by him, shall transfer the whole of each sub-parcel of transferable papers to the continuing candidates as per the next available preferences indicated thereon and shall set aside as a separate parcel so many of the non-transferable papers as are not required for the quota of the elected candidate. The particular papers set aside shall be those last filed in the parcel of non-transferable papers.

(10) If the total number of transferable papers is greater than the surplus, the Registrar or the person or persons authorized by him, shall transfer from each sub-parcel of transferable papers to the continuing candidate indicated thereon as the elector's next available preference, the number of papers which bears the same proportion to the number of papers in the sub-parcels as the surplus bears to the total number of transferable papers.

(11) The number of papers to be transferred from each sub-parcel shall be ascertained by multiplying the number of papers in the sub-parcel by the surplus and dividing the result by the total number of valid transferable papers.

Equation:

$$\text{Value of Votes} = \frac{\text{Total No. of surplus votes} \times \text{Actual No. of Voting Papers transferred to the particular candidate}}{\text{Total No. of valid transferable Voting Papers}}$$

A note shall be made of the fractional part, if any, of each number so ascertained. If owing to the existence of such fractional parts, the number of papers to be transferred is less than the surplus, so many of these fractional parts taken in the order of their magnitude, beginning with the largest, as are necessary to make the total number of papers to be transferred equal to the surplus shall be reckoned as of the value of unity and remaining fractional parts shall be ignored. If two or more fractional parts are of equal magnitude, that fractional part shall be deemed to be the largest which arises from the largest sub-parcel, and if the sub-parcels in question are equal in size, the fractional part credited to the candidate with the greatest number of votes at the first count at which the candidates in question have an equal number of votes shall be deemed to be the largest. When the number of votes credited to such candidates are equal at all counts, the Registrar shall determine by lot which fractional part shall be deemed to be the largest.

(12) The particular papers transferred from each sub-parcel shall be those last filed in the sub-parcel and each paper so transferred shall be marked in such a manner as to indicate the count at which the transfer took place.

(13) If at the end of any count, no candidate has a surplus or if any existing surplus need not be and is not transferred and one or more vacancies remain to be filled, the Registrar shall exclude from the poll the candidate lowest on the poll.

(14) If the total of the votes of the two or more candidates lowest on the poll, together with any surplus not transferred, is less than the number of votes credited to the next highest candidates the Registrar may at the same count exclude the aforesaid two or more candidates lowest on the poll :

Provided that, the exclusion of these candidates shall not reduce the number of continuing candidates, below the number of vacancies remaining to be filled.

(15) When two or more candidates each have the same number of votes and lowest on the poll, the candidates with the lowest number of votes at the first count at which the candidates in question have an unequal number of votes shall be excluded and when the number of votes credited to these candidates are equal at all counts, the Registrar shall draw lots and the candidate in whose name lot is drawn would stand excluded.

(16) Upon the exclusion of any candidates, the Registrar, save as hereinafter provided, shall examine all the papers credited to that candidate, shall,—

(a) sort the transferable papers into sub-parcels according to the next available preference recorded thereon for continuing candidates ;

(b) transfer each sub-parcel to the candidate for whom that preference is recorded; and

(c) set aside as a separate sub-parcel the non-transferable papers.

(17) If at the end of any count, the number of elected candidates is equal to the number of vacancies to be filled, no further transfer of votes shall be made.

(18) If on the exclusion of a candidate or candidates, the number of the then continuing candidates is equal to the number of vacancies unfilled, the continuing candidates shall thereon be elected and no further transfer of votes shall be made.

(19) The order of priority of election of elected candidates shall be the order in which they are severally elected. If, at the end of any count two or more candidates are elected, the order of priority shall be according to the number of votes credited to such candidates beginning with the greatest. When the number of votes credited to two or more candidates are equal or when the candidates are elected unopposed, the order of priority of election shall be in alphabetical order.

(20) Whenever any transfer is made, each sub-parcel of paper transferred shall be placed on the top of the parcel, if any, of papers of the candidate, to whom the transfer is made and that candidate shall be credited with a number of votes equal to the number of papers transferred to him.

(21) Non-transferable papers, except such as in the transfer of a surplus may be required for the quota of the elected candidates, shall be set aside as a separate parcel together with any parcel of non-transferable papers already set aside.

(22) On the transfer of the surplus of an elected candidate, all papers not transferred to continuing candidates and not set aside as provided in the preceding clause, shall be placed together in one parcel as the quota of the elected candidate and the parcel shall be marked with the name of the elected candidate.

16. *Result of Scrutiny and Counting.*—

(1) After the scrutiny and counting is completed, the result thereof shall be reported forthwith to the Vice-Chancellor by the Registrar.

(2) On the result of the election being reported as aforesaid, the result of the counting showing for each candidate, the number of first votes obtained and the successive additions, or subtractions from the number till the candidate was excluded or elected, shall be declared by the Registrar. Immediately after the final result is prepared, the voting papers shall be sealed in a packet with the seal of one or more of the scrutinizers and then handed over to the Registrar for safe custody until the destruction of the voting papers.

17. *Appeal.*—

(1) No demand of recounting shall be entertained after the final rounds are over. The candidate or the representative of the candidate may raise objection at the end of a particular count, if he desires. He cannot raise any objection if the process of counting is entered into the next round.

(2) An Appeal against the result of the election shall be preferred to the Vice-Chancellor within thirty days from the date of declaration of the result.

(3) The voting papers and all other papers or records relating to election shall be destroyed after six months from the date of declaration of the election result or in the event of an appeal being preferred against the result to the Vice-Chancellor, after thirty days from the date of receipt of the Vice-Chancellor's order, whichever is later.

18. *Election of a Candidate from More than One Constituency.*—

(1) If any candidate is elected, nominated or co-opted to any authority or body in more than one capacity, he shall by notice in writing signed by him and delivered to the Registrar of the University within seven days of the declaration of the result of the last date of such election, nomination or co-option, as the case may choose which of the capacities he shall hold, and such choice shall be conclusive.

(2) If the candidate does not make the choice referred to herein within the specified period of time, the Vice-Chancellor shall decide the capacity which he would hold and his decision shall be final.

(3) When any such choice has been made by the candidate or a decision given by the Vice-Chancellor, the Vice-Chancellor shall direct the Registrar to take steps for holding an election or carrying out the process of nomination or co-option, as the case may be, in which office of a member such vacancy has occurred by reason of such choice.
