Dear Dr. Khedkar:

Greetings from the United States-India Educational Foundation (USIEF), the Fulbright Commission in India!

I am happy to inform you that USIEF has announced its annual competition for Fulbright-Nehru and other Fulbright fellowships for Indian citizens for the academic year 2013-2014. Open to students, academics, teachers and professionals, these fellowships are offered in all disciplines. Application due dates begin **July 1, 2013**. USIEF expects to offer approximately 100 Fulbright-Nehru fellowships for Indians in 2013.

Details about the fellowship programs, application procedure and guidelines, and the selection process are specified in the enclosed fellowship brochure and are also posted on the USIEF website www.usief.org.in. Two copies of this brochure are enclosed. Please refer individuals interested in applying for a Fulbright fellowship to this brochure or to the USIEF website. I appreciate your efforts to spread the word about Fulbright-Nehru and other fellowship opportunities.

I take this opportunity to thank your office for having designated the Prof. Jayant S. Deshpande, Director, Board of College and University Development at your institution as the **Fulbright Campus Representative**. We look to Prof. Deshpande being an important point of contact for faculty and students of your university with regard to information on the Fulbright Program. Prof. Deshpande will receive Fulbright publicity and recruitment materials from USIEF, which he can make available to prospective applicants at your institution. USIEF staff in coordination with Prof. Deshpande will organize outreach and mentoring programs for your faculty and students. The USIEF point of contact is Dr. Sudarsan Dash, Senior Program Manager. Dr. Dash's e-mail id is sudarsan@usief.org.in and phone number is 011-42090945.

As always, USIEF thanks you for your support and cooperation in spreading the word about the Fulbright Program.

With best regards,

Sincerely,

Adam J. Grotsky
