## About Sant Gadge Baba Amravati University

Sant Gadge Baba Amravati University (formerly Amravati University) established on 01<sup>st</sup> May, 1983 with the vision of creating a human resource capable of converting challenges into opportunities through higher teaching-learning process towards making of the learners; the ideal citizens, the academic leaders and the global entrepreneurs to represent the Leader India in the 21<sup>st</sup> Century. The University pays special attention towards educational up-liftment of the backward and the downtrodden. It is noteworthy to state that the University has a lush green campus of 447 acres with 413 affiliated colleges across five districts, 33 post graduate teaching departments, a conducted Model Degree College at Buldana and four Faculties satisfying the knowledge appetite of the students.

## About Indian Council for Social Science Research

Indian Council of Social Science Research (ICSSR) was established in the year of 1969 by the Government of India to promote research in social sciences in the country. The Council aims to review the progress of social science research and give advice to the users as well as government. It sponsor social science research programmes nation wide.

## About Capacity Building Programme

In a rapidly changing world, social science research must evolve to address emerging challenges and opportunities. The Capacity Building Programme on "Revolutionize Research: Innovative Research Methodologies and Unlocking Insights in Social Science Research" aims to empower researchers with the knowledge and skills needed to drive this evolution. By fostering innovation, interdisciplinary collaboration, and effective communication, this workshop seeks to equip researchers to make meaningful contributions to society through their research in the social sciences. This two-week programme will offer a unique and transformative learning experience, empowering participants to revolutionize their research practices and unlock valuable insights in the field of social science research. Through innovative methodologies and effective communication, researchers will be better prepared to address the complex issues facing our society today.
