HoD, Computer Science & Engineering, SGBAU

Sant Gadge Baba Amravati University

Sant Gadge Baba Amravati University was established on Maharashtra Day, the 1st May 1983 to cater to mostly the educational needs of rural population of western Vidarbha. The university has its jurisdiction within five districts of Vidarbha viz. Amravati, Akola, Yavatmal, Buldana and Washim. By now, this sapling has grown into a gigantic tree having about 4 lacs students. It is noteworthy to state that the University has a lush green campus of 447 acres with 29 Teaching Departments, a conducted Model Degree College at Buldana and nine Faculties satisfying the knowledge appetite of the students. The University pays special attention towards educational upliftment of the backward and the downtrodden.

Sant Gadge Baba Amravati University has been determined and committed for creating a human resource capable of converting challenges into opportunities through imparting training to youth in various aspects of skill development. As such it addresses all dimensions of higher teaching-learning process towards making of the learners; the ideal citizens, the academic leaders and the global entrepreneurs to represent the Leader India in the 21st Century.

The vision of the University is student-centric. The Students Development Section truly incarnates this vision by providing the students, a platform for multi-dimensional and multi-faceted development. For University, the youth is a source of strength, where their vigour is harnessed to nation-building and socially relevant activities to build an egalitarian society.

University's efforts towards excellence are supplemented by substantial grants from various funding agencies like UGC, DST, DBT, AICTE, DRDO, DAE, RGSTC, etc. The University has a special recognition by way of collaborations with the premier institutes in and outside the country such as MIT, USA, Princeton University, USA and Lausanne University, Switzerland, etc. The faculty members have contributed toward high-quality research with high impact factor publication in Science and Nature (Submitted), etc. along with numerous patents published. The University has been inclined to create necessary infrastructure conducive to the teaching-learning. The Knowledge Resource Centre (KRC) is a fundamental source of knowledge that helps students from different corners in their endeavour of learning. The KRC has been almost computerized and the students can access the desired information from home with the ease of a click. The library has voluminous online journals facilitating the researchers across the nation.

It is not only the academics but the co-curricular and extra-curricular activities also been given prime importance in developing students' personality and character. Facilities for games and sports like swimming pool of international standard, playfields for various games and a boost to cultural activities are well reflected in participation and performance of the students at national and international level.

The University is striving to bring-in the academic and administrative quality measures by implementing the recommendations of the NAAC team. Most of them have been brought into practice. The University has been re-accredited (3rd Cycle) by NAAC in 2016 with “A” grade (CGPA 3.07)

About Webinar Theme:

Globally, technology and its rapid expansion and adoption is becoming a critical factor in is impacting almost all sectors. Technology is also deciding the way Micro, Small and Medium Enterprises (MSMEs) expand in the global economy while playing an important role in the national economic development.

OBJECTIVE:

The main objective of the scheme is to promote & support untapped creativity of individual and to promote adoption of latest technologies in manufacturing as well as knowledge based innovative MSMEs (ventures) that seek the validation of their ideas at the proof of concept level. The scheme also supports engagement with Enablers who will advise such MSMEs in expanding the business by supporting them in design, strategy and execution.

The Scheme provides opportunity to the Startup innovators in developing and nurturing their new innovative ideas for the production of new innovative products. Host Institutions (HI) can explore the new innovative ideas from the Incubatee of various sectors which may be entrepreneurs or students from the any streams.

This webinar is awareness programmes to sensitize and create awareness amongst students, faculties, directors, principals, management about the benefits of the MSME scheme will be funded.

The scheme will include mentoring support in business and technology, networking with other businesses, seed capital assistance, professional assistance to make the enterprise successful and achieve higher growth. Technology based new enterprises are typically characterized as high risk and high growth ventures, and as such, they require an enabling environment like BI to enhance the prospects of success.

Join us in a live conversation with the men who matter in Maharashtra's government. Together, they will present the government's plan to create the state's new growth story.

Key Note Speakers:

- \* Mr. P.M.Parlewar, Director, MSME- DI Nagpur
- \* Mr. Rahulkumar Mishra, Asstt. Director, MSME- DI, Nagpur
